PREAMBLE

This Agreement is made and entered into by and between the State of Oregon (hereinafter the "Employer"), acting by and through its Department of Administrative Services on behalf of the Construction Contractors Board (hereinafter the "Agency"), and the American Federation of State, County and Municipal Employees, (hereinafter the "Union"), for the purpose of fixing wages, hours, benefits, conditions of employment and other matters affecting members of the bargaining unit as certified by the Employment Relations Board.

ARTICLE 1 - RECOGNITION

Section 1.

The Employer and the Agency recognize the Union as the sole and exclusive bargaining agent for all classified employees of the Construction Contractors Board excluding supervisory, confidential and managerial employees as defined by ORS 243.650, employees working less than half-time, and temporary employees within the meaning of ORS 240.309.

Section 2.

This Agreement binds the Union and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer and the Agency and any person designated by it to act on its behalf.

ARTICLE 2 - MANAGEMENT RIGHTS

The Parties agree that the Employer and the Agency have the right to operate and manage the Agency, including, but not limited to the right to maintain order and efficiency; to direct employees and to determine job assignments and working schedules; to determine the methods, means, standards and personnel to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine whether the whole or part of the operation shall continue to operate; to recruit, examine, select and hire employees; to promote, transfer, assign and reassign employees; to suspend, discharge or take other proper disciplinary action against employees; to lay off employees; to recall employees; to require reasonable overtime work of employees; and to promulgate rules, regulations and personnel policies, provided that such rights shall not be exercised so as to violate any of the specific provisions of this Agreement.

ARTICLE 3 - UNION RIGHTS

Section 1.

The Union will select certain of its agents, who are not Agency employees as "Union Representatives," and certify, in writing, their names to the Administrator of the Agency.

Section 2.

Union representatives will be allowed to visit the work areas of the employees during work hours, after advising the Administrator of the Agency, or his/her designee, of their presence for the purpose of meeting with employees regarding matters affecting their employment. Such visits shall not interfere with the normal flow of work. Council 75 hired

business agents, organizers or employees will be limited to visits on non-duty time, except for grievance or unfair labor practice investigations.

Section 3.

Unless otherwise provided in this Agreement, the internal business of the Union shall be conducted by the employees during their non-duty hours.

Section 4.

Upon request and approval of the Administrator, or designee, the Union shall be allowed the use of the facilities of the Agency for meetings when such facilities are available and the meeting would not interfere with the business of the Agency.

Section 5.

The Agency shall furnish each new employee with a notice provided by the Union that the Union is the certified collective bargaining representative.

Section 6.

Not more than thirty (30) minutes shall be granted for the Union to make a presentation at the orientation of a new employee or group of new employees or at such other time agreeable to the Agency. The purpose of the Union's presentation shall be for the purpose of identifying the Union's status, organization benefits, facilities, related information and distributing and collecting membership applications. This time is not to be used for discussion of labor/management disputes. The Agency shall provide the Union advance notice of the time and place of new employee orientation meetings.

Section 7.

The Agency shall provide a 36" X 24" bulletin board for the use of the Union in communications dealing with social functions, meetings, elections, Union appointments and such other information as may be approved by the Agency's Administrator or designee.

Section 8.

The Union shall be provided payroll deductions for its regular monthly dues in accordance with and as entitled to under ORS 292.055.

Section 9. AFSCME President Leave.

- a. Long Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, one (1) President/designee from an AFSCME Council 75 Central Table participating Agency shall be given release time from his/her position for a period of time up to one (1) year for the performance of Union duties related to the collective bargaining relationship. However, if the Union President/designee or Executive Director requests release time for less than his/her full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits. AFSCME shall

indemnify and hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this provision.

- b. Short Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit and the Agency's Human Resource Manager, up to four (4) Presidents/designees from AFSCME Council 75 Central Table participating Agencies shall be given release time from his/her position for a period of time up to three (3) months for the performance of Union duties related to the collective bargaining relationship. Only one employee from a bargaining unit and a total of four employees from all Central Table Participating bargaining units may be on such leave at any one period in time. Such requests will be granted unless the affected Agency can demonstrate that the employee's absence would adversely impact the operating needs of the employee's work unit. If granted, such time may also be taken on an intermittent basis. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits.

Section 10. Names of Retirees.

The Employer will send a monthly report to the Union of the names of individuals that have retired the previous month. For purposes of this Agreement, a retiree shall be defined as a person who has given the Agency written notice that he/she is separating from State service by retirement and that person has actually separated from State service.

Section 11. Intermittent Union Leave

When Union officials (officers and stewards) are designated in writing by the Executive Director of Oregon AFSCME to attend AFSCME Council 75 Biennial or AFSCME International Conventions, the following provisions apply:

- a. The Executive Director of Oregon AFSCME shall notify affected agencies in writing of the name of the employee(s) at least thirty (30) days in advance of the date of the AFSCME Convention. For agencies of 100 or fewer bargaining unit members, no more than one bargaining unit member per agency may be designated to attend AFSCME conventions. For agencies of greater than 100 bargaining unit members, no more than two bargaining unit members may be designated to attend AFSCME conventions under this provision.
- b. Subject to agency head or designee approval based on the operating needs of the employee's work unit, including staff availability, the employee will be authorized release time with pay.
- c. The paid release time is limited to attendance at the conference and travel time to the conference if such time occurs during the employee's regularly scheduled working hours up to forty (40) hours per calendar year.
- d. The release time shall be coded as Union business leave or other identified payroll code as determined by the State.
- e. The release time shall not be included in the calculation of overtime nor considered as work related for purposes of workers' compensation.

- f. The employee will continue to accrue leaves and appropriate benefits under the applicable collective bargaining agreement except as limited herein.
- g. The Union shall, within thirty (30) days of payment to the employee, reimburse the State's affected agency for all Employer related costs associated with release time, regular base wage and benefits, for attendance at the applicable conference.
- h. The Union shall indemnify and the Union and employee shall hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with these provisions.

Section 12. Reports

Upon request and no more than once a quarter the Agency shall provide to the Union the names of any temporary/Limited duration employees (management/unrepresented/bargaining unit) hired, reason for the hire and expected duration of the appointment.

Upon request and no more than once a quarter, the Agency shall provide to the Union the names of all employees in double fill positions, the reason for the double fill and the expected duration of the appointment if available.

Upon request, the Agency shall provide to the Union on an annual basis the Agency organization charts showing management positions and the positions they supervise.

REV: 2015

ARTICLE 4 - LAWS AND REGULATIONS AND SAVINGS

Section 1.

This Agreement is subject to all applicable existing and future laws of the State of Oregon and the United States. In the event of a conflict between a provision of this Agreement and a rule or regulation of the Department of Administrative Services or any of its Divisions, the terms of this Agreement shall prevail.

Section 2.

In the event any provision of this Agreement is declared invalid by any court of competent jurisdiction or by ruling of the Employment Relations Board, then only such portion or portions shall become null and void and the balance of the Agreement remains in effect. The Employer and the Union agree to immediately meet, negotiate, and agree upon a substitute for the portion or portions of the Agreement so affected and to bring into conformance therewith not over sixty (60) days after notification unless extended by mutual agreement.

ARTICLE 5 - UNIT CLARIFICATION

Section 1.

Any dispute concerning bargaining unit composition shall be resolved by the Employment Relations Board.

Section 2.

Upon excluding any positions from the bargaining unit the Labor Relations Unit shall send formal written notice of the exclusion(s) including a list of the exclusion(s) and position

descriptions to the Union. Those positions questioned by the Union shall be discussed with the Employer within ten (10) days from the date of formal written notification.

ARTICLE 6 - EQUAL EMPLOYMENT OPPORTUNITY AND AFFIRMATIVE ACTION

Section 1.

The provisions of this Agreement shall apply equally to all employees in the bargaining unit without regard to age, race, religion, sex, color, physical or mental handicap, national origin, political affiliation, or marital status. The Union further agrees that it will cooperate with the Agency's implementation of applicable Federal and State laws and regulations, including but not limited to Presidential Executive Order 11246 as amended by Presidential Executive Order 11375, pertaining to affirmative action.

Section 2.

Any and all complaints alleging any form of unlawful discrimination which are brought to the Union for processing will be submitted directly to the Agency Administrator. If the complaint is not satisfactorily resolved within thirty (30) calendar days of its submission at the Agency Administrator level, the employee shall, if he/she chooses to proceed with the complaint, file the complaint with the Bureau of Labor and Industries or the Equal Employment Opportunity Commission (EEOC) for final resolution.

Discrimination complaints will not be subject to the grievance procedure contained in this Agreement.

Section 3.

- a. The Employer and the Union agree to continue their policies of not discriminating against any employee because of sexual orientation.
- b. Sexual orientation discrimination complaints will be subject to the grievance procedure ([Article 12](#)) beginning at Step 3 until such time as the Bureau of Labor and Industries is given jurisdiction over such matters. Once the Bureau of Labor and Industries is given jurisdiction, such complaints will be processed in the same manner as complaints in Sections 1 and 2.

ARTICLE 7 - AVAILABILITY OF THE PARTIES TO EACH OTHER

The Parties agree that the Employer and representatives of the Union are each obligated to meet at reasonable times, at the request of the other Party, to discuss the interpretation and application of the Collective Bargaining Agreement and other workplace concerns.

ARTICLE 8 - UNION SECURITY

Section 1. Dues Deduction.

Employer agrees to deduct the monthly membership dues from the pay of those employees who individually request such deductions in writing. The amount to be deducted shall be certified to the Employer by the Treasurer of the Union, and the aggregate deductions shall be remitted monthly together with an itemized statement, to the Treasurer of the Union.

Section 2. Fair Share.

The terms of the contract have been made for all employees in the bargaining unit, not solely for members of the Union. The Parties recognize that it is fair that each employee in the bargaining unit should bear a fair share of the costs incurred by the Union in meeting its responsibilities as a recognized bargaining unit representative.

Each employee not exempt under recognition of this contract shall, within thirty (30) days of hire, have deducted monthly from his/her pay by the State, a sum equal to the amount of current Union dues. Such sum shall constitute the employee's dues if he/she is a member of the Union, or shall otherwise constitute that employee's fair and equitable contribution to the expenses of administering this contract on his/her behalf by the Union. Such deduction shall be made only if accrued earnings are sufficient to cover the service fee after all other authorized payroll deductions have been made.

The deduction and disbursement to the Union of dues and service fees provided herein shall be accomplished monthly by the State.

Any employee who is a member of a bona fide religious organization which teaches as a doctrine of their faith that payment of Union dues is wrong may follow the procedures allowed by State law to have his/her in lieu of dues payment paid to a nonreligious charity.

The Union shall indemnify and save the Employer harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Employer for the purpose of complying with the provisions of this section.

Section 3. Employee Statistics.

The Labor Relations Unit and the Agency will, upon request of the Union, provide any regularly produced computer runs containing nonconfidential statistics of the Union's bargaining unit members. This will include one (1) printout annually showing names and addresses of all bargaining unit employees and monthly information currently furnished. Any costs incurred in compiling and photocopying these statistical reports under this Agreement shall be billed to the Local Union making the request.

ARTICLE 9 - COMPLETE AGREEMENT/PAST PRACTICE

Section 1.

This Agreement incorporates the sole and complete agreement between the Parties resulting from negotiations held pursuant to the provisions of ORS 243.650 et. seq. It is acknowledged that, during negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter for collective bargaining, and that understandings and agreements arrived at by the Parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Parties, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, if any, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter covered by this Agreement. The Union further agrees to waive the right to bargain over any other mandatory subject of bargaining during the life of the Agreement unless the Agency seeks to change an existing or establish a new written policy as outlined in Sections 3-8 of this Article. This Agreement shall not be modified in whole or in part except by another written instrument duly executed by the Employer and the Union.

Section 2.

To the extent they are not in conflict with the terms of the collective bargaining agreement or Agency policies, the Parties agree that the DAS Chief Human Resource Office policies may be consulted to provide guidance to the Agency.

Section 3. Policy Changes or New Policies.

- a. Should the Agency change a written policy or issue a new policy which affects the working conditions of the bargaining unit members, and the working conditions(s) is a mandatory subject of bargaining, notice will be given to the Union. If the Union believes such action to be unreasonable and the issue is a mandatory subject of bargaining, then, within seven (7) days of the date upon which the Union knows, the Union shall request that the Employer negotiate such matter.
- b. If the Union is not notified of such change regarding a mandatory subject of collective bargaining the policy shall be null and void, unless extended by mutual agreement.

Section 4.

Any meeting requested under this Article shall occur within five (5) days of:

- a. The Union's request to negotiate when the Parties are in agreement that the subject is a mandatory subject of bargaining; or
- b. An Employment Relations Board ruling that the issue is a mandatory issue of bargaining.

If agreement is reached, it shall be reduced to writing and signed by both Parties. If the Parties are unable to reach agreement within fourteen (14) days following the negotiations and the Union continues to believe the written policy to be unreasonable, it shall notify the Employer of its intent to subject the matter to arbitration. Such written notification must be made during the fifteen (15) day period immediately following the above mentioned fourteen (14) day period. Failure to file such written notification within the prescribed time shall be understood by both Parties to waive the Union's right to any further objection.

Section 5.

Should the Union decide to carry the matter to arbitration, the Parties shall meet within the five (5) days immediately following receipt of notification of the Union's desire to arbitrate to select an arbitrator. Selection of an arbitrator shall be prescribed in [Article 12](#) (Grievance Procedure).

Section 6.

The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties and that they will abide thereby, unless the award is vacated pursuant to ORS 240.086. The power of the arbitrator in this process shall be limited to determining whether the policy, procedure or rule is unreasonable. If the arbitrator's ruling is that the policy, procedure or rule is unreasonable, the Agency shall immediately withdraw the policy, procedure or rule. Unreasonable for purposes of this Article means that the balance of reason is in favor of not making the change. In other words, the negative effect upon bargaining unit members outweighs the need or benefit to the Employer.

Section 7.

The arbitrator fee and expenses shall be paid in the same manner outlined in Article 12, Section 7 (Grievance Procedure).

Section 8.

Time limits specified in this procedure must be observed, unless either party requests a specific extension of time which, if agreed to, must be stipulated in writing and shall become part of the record.

ARTICLE 10 - AGENCY PERSONNEL POLICIES

Upon request, the Agency shall provide a copy of its written personnel policies to the Union. When a change of a policy occurs, a copy will be sent to the Union, and a copy will be posted.

ARTICLE 11 - DISCIPLINE AND DISCHARGE

Section 1.

The principles of progressive discipline shall be used. An employee may only be given a formal written reprimand, suspension, reduction in pay, demotion or dismissal for just cause.

Section 2.

- a. A formal written reprimand, reduction, demotion or suspension of a regular status employee may be appealed to Step 2 of the grievance procedure within fifteen (15) calendar days from the effective date of the action. Any further appeal of disciplinary action shall follow the procedure and time frames outlined in [Article 12](#) (Grievance Procedure).
- b. Discharge of a regular status employee may be appealed by the Union to binding arbitration. The appeal must state the reason for the appeal and must be submitted to the Department of Administrative Services Labor Relations Unit within ten (10) calendar days from the effective date of the discharge. Such appeal shall be heard by the arbitrator pursuant to the terms and conditions outlined in [Article 12](#) (Grievance Procedure).

Section 3.

Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. An employee will be provided reasonable notice in advance of an investigatory meeting. The employee will have the opportunity to consult with a local Union steward or an AFSCME Council Representative before the interview, but such consultation will not cause undue delay.

Section 4. Predissmissal Notice.

A written notice shall be given to a regular status employee against whom a charge, which may be cause for dismissal, is presented. Such notice shall include the known complaints, facts and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Agency at a time and date set forth in the notice which date shall not

be less than seven (7) calendar days from the date the notice is received. The employee shall be permitted to have an official representative present. At the discretion of the Agency Administrator, the employee may be suspended with pay or be allowed to continue work as specified within the predissmissal notice.

Section 5.

It is the intent of the Agency that discipline not be administered in the presence of other employees or the public, whenever possible.

Section 6.

- a. Unauthorized absence of the employee from duty shall be deemed to be absence without pay and may be grounds for disciplinary action by the Agency. Employees may be allowed to cover such absences with accrued vacation time or compensatory time if the Agency agrees extenuating circumstances existed.
- b. Any employee who is absent for five (5) consecutive work days without authorized leave shall be deemed to have resigned.

Section 7.

The Agency will forward all written reprimands and notices of reduction, suspension, demotion, predissmissal, and dismissal to the Union on the same day it notifies the employee.

REV: 2015

ARTICLE 12 - GRIEVANCE PROCEDURE

Section 1.

A grievance is a dispute which arises concerning the application, meaning or interpretation of this Agreement and shall be resolved by the following procedure:

It is however agreed and understood that aggrieved employee(s) and the Job Steward, if either the employee or the supervisor requests the Stewards presence, must first attempt to resolve complaints which may result in formal grievances or grievances informally with the immediate supervisor.

Timelines noted in the following Steps apply to all grievances except for formal written reprimands, reductions in pay, demotions, suspensions and discharges for which the timelines established in [Article 11](#) (Discipline and Discharge), shall apply.

Step 1. Any employee, with notice to the Union, or the Union Representative on the employee's behalf or an employee with a job steward may file a formal grievance at Step 1, in writing, with his/her immediate supervisor within thirty (30) calendar days of the alleged action or the date the employee or the Union knew or should have known of the alleged action. Grievances shall not be frivolous and shall be submitted on the AFSCME Grievance Form and shall contain the articles alleged to have been violated, the specific reasons why the employee feels the articles were violated, and the specific remedy(s) requested. The immediate supervisor shall respond, in writing, to the grievance within fifteen (15) calendar days to the employee, with a copy to the Union.

Step 2. If the grievance remains unresolved at Step 1, it may be appealed, in writing, to the Administrator within fifteen (15) calendar days after the response required by Step 1 was received or due whichever is first. The Administrator or his/her designee shall respond in writing to the Union within fifteen (15) calendar days after receipt of the grievance.

Step 3. If the grievance remains unresolved at Step 2, the Union Representative or the employee may, in writing, appeal to the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after response required by Step 2 was received or due whichever is first. The Labor Relations Unit shall respond in writing, to the Union within fifteen (15) calendar days after receipt of the grievance. For purposes of this article, an appeal in writing can be delivered by first class registered or certified mail, postage paid, by fax or by electronic mail to the Labor Relations Unit email address LRU@oregon.gov.

In the event the response from the Labor Relations Unit is acceptable to the Union, such response shall have the same force and effect as a decision or award of an arbitrator, and shall be final and binding on all and they will abide thereby.

Section 2.

Time limits may be extended by agreement of the Parties confirmed in writing.

Section 3.

The Union or the grievant shall not expand upon the original elements and substance of the written grievance. Prior to filing at Step 2 of the Grievance Procedure, the Union or the employee may however, modify, for the purpose of clarity, the articles cited as being violated and the remedy requested.

Section 4.

Any grievance, having progressed through the steps as outlined in this Agreement and remaining unresolved following Labor Relations Unit response, may be submitted by the Union to arbitration for settlement. To be valid, a request for arbitration must be from the Union, in writing, and mailed or delivered to the Labor Relations Unit within fifteen (15) calendar days of the receipt of the response from the Labor Relations Unit.

Failure to file for arbitration within the specified fifteen (15) calendar day period shall constitute forfeiture of claim and the case shall be considered closed by all Parties.

If the grievance is to be submitted to arbitration, a prearbitration meeting may be held. The meeting shall include both the Labor Relations Unit and the Agency meeting with the Union in an attempt to formulate a submission.

Section 5. Selection of the Arbitrator.

In the event that arbitration becomes necessary, the Union and the Employer will select an arbitrator in the following manner:

- a. The Union and the Employer may mutually select an arbitrator.
- b. If the Parties do not mutually select an arbitrator, then they shall obtain a list of seven (7) qualified Oregon only arbitrators from the Employee Relations Board and select one arbitrator from the list by alternately striking names, with the party striking first being determined by lot, one (1) name at a time until one (1) name remains on the list. The name remaining on the list shall be accepted by the Parties as the arbitrator.

Section 6.

The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties and that they will abide thereby. The arbitrator shall have no authority to add to, subtract from or change any of the terms of this Agreement, to change an existing wage rate or establish a new wage rate. The arbitrator shall have the power to return a grievant to employee status, with or without back pay and benefits, or to mitigate or cancel the penalty as equity suggests under the facts, or to provide any other relief sought which is otherwise proper under the Agreement. The arbitrator's authority regarding reclassifications shall be addressed in the contract articles dealing with classification and classification changes.

Section 7.

The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

Section 8.

Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 9.

The employee may choose to proceed without Union representation, as outlined in ORS 243.666(2), through Step 3 of the grievance procedure, however, only the Union may submit a grievance to arbitration.

Section 10.

If at any step of the grievance procedure, the Employer or Agency fails to issue a response within the specified time limits set forth in this Agreement, the grievance shall be automatically advanced to the next step of the grievance procedure unless withdrawn by the grievant or the Union. In no case however will a grievance automatically advance to arbitration. If the employee or Union fails to meet the time limits specified herein, the grievance will be considered withdrawn and cannot be resubmitted.

Section 11.

All so called group grievances involving two (2) or more immediate supervisors and grievances involving subject matters which are beyond the authority of the immediate supervisor to resolve, may, with the mutual agreement of the Parties be filed at higher steps up to and including Step 2.

All "group" grievances must be specific at the initial step of the grievance procedure and must detail the articles violated, all employees affected and the reasons for both.

REV: 2015

ARTICLE 13 – UNION STEWARDS

Section 1.

The Agency shall recognize one (1) Union Stewards per twenty (20) represented employees to represent Agency employees. The Union shall immediately notify the Agency's Human Resources Manager of the names of Union Stewards and their successors upon their selection.

Section 2.

Stewards may receive but not solicit, and may discuss complaints and grievances of employees on the premises and time of the Agency, but only to such extent as does not neglect, retard or interfere with the work and duties of the Union Stewards or with the work or duties of employees. Upon notice to their immediate supervisor, Union Stewards shall be granted reasonable time off during regularly scheduled working hours without loss of pay or other benefits to investigate grievances.

If the permitted activities would interfere with either the Union Steward's or the grievant's duties, the direct supervisor(s) shall, within the next working day, arrange a mutually satisfactory time for the requested activities. Time spent in grievance activities without the proper notification and release by the supervisor(s) involved will be considered unauthorized leave without pay for both the Union Steward and the grieving employee. Each Union Steward shall maintain and furnish to his/her immediate supervisor, or on a monthly basis, a record of dates and times spent on the functions described in this Article.

Section 3.

The Agency agrees there shall be no reprisal, coercion, intimidation or discrimination against any Union Steward for the conduct of the functions described in this Article.

Section 4.

At the Union's request and subject to the operating requirements of the Agency, Union Stewards for the Union shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay to attend the Union's Union Steward Training Session.

REV: 2015

ARTICLE 14 - PERSONNEL RECORDS

Section 1.

Upon reasonable notice, an employee may inspect and obtain a copy of the contents in his/her official Agency personnel file or supervisory file. No grievance material shall be kept in an employee's personnel files after the grievance has been resolved except the resolution.

Section 2.

No information reflecting critically upon an employee shall be placed in the employee's official personnel files that does not bear the signature of the employee. The employee shall be required to sign such material to be placed in his personnel file provided the following disclaimer is attached:

"Employee's signature confirms only that the supervisor has discussed and given a copy of the material to the employee, and does not indicate agreement or disagreement."

If an employee is not available within a reasonable period of time to sign the material or the employee refused to sign the material, the Agency may place the material in the files provided a statement has been signed by two (2) management representatives that a copy of the document was mailed to the employee at his/her address of record.

Section 3.

If the employee believes that any of the above material is incorrect or a misrepresentation of facts, he/she shall be entitled to prepare in writing his/her explanation or opinion regarding the prepared material. This shall be included as part of his/her personnel record until the material is removed.

Earlier removal will be permitted, when requested by an employee and approved by the Appointing Authority.

ARTICLE 15 - FILLING OF VACANCIES

Section 1.

The Agency desires to fill bargaining unit vacancies with the best suited applicants available. Within that context, the Agency intends to insure that protected classes are given an opportunity to compete for all openings within the bargaining unit. The Agency will determine the manner and method of selection and determine the individual to fill a vacancy.

Section 2.

The Agency will post for a minimum of five (5) consecutive days the job vacancy that occurs in the bargaining unit which the Agency intends to fill, setting forth the job title, duties, qualifications and salary range. All bargaining unit employees qualified by training and experience will have the right to apply for the position.

Section 3.

If the position is offered for promotion or transfer, and two (2) or more employees possess equal qualifications and are the highest qualified candidates for the position, the Agency will give preference to an employee's length of service with the Agency. A candidate not selected may request the hiring supervisor to provide feedback regarding what the candidate could do to improve his/her potential for selection for future vacancies.

Section 4.

When the Agency chooses to fill a vacancy by lateral transfer, it shall not unilaterally transfer an employee on an arbitrary basis. If the Agency considers voluntary transfer requests, the employee who is determined by the Agency to be the best qualified to meet the knowledge, skills and abilities for the vacant position will be appointed. If two (2) or more employees wishing to laterally transfer have demonstrated equal knowledge, skills and abilities for the position, the most senior will be appointed.

Section 5.

A person accepting a Limited Duration (LD) appointment shall be notified and acknowledge in writing that s/he accepts the conditions of the appointment, which shall include the following:

- a. The appointment is of limited duration.
- b. The appointment may cease at any time.
- c. The LD appointee shall have no layoff rights except as provided in (d) below.
- d. An Agency employee appointed from a permanent position with regular status in the classified State service immediately prior to the LD appointment shall be reinstated to his/her former permanent regular status classification in the Agency when the LD appointment is terminated. The reinstatement right shall be on the same basis as the former regular status position, for example, if the employee was a part-time or job share, the reinstatement is on a part-time or job share basis. If the employee is appointed to a subsequent LD appointment(s) in the Agency without a break in employment prior to reinstatement to his/her former permanent regular status classification, the employee shall retain his/her right to reinstatement. If a position is not available for reinstatement, then the employee is entitled to layoff rights. Reinstatement rights provided herein shall not apply if charges are filed and he/she is discharged as provided in [Article 11](#) (Discipline and Discharge).
- e. The LD appointee in all other respects has all rights and privileges of other classified employees including but not limited to wages, benefits and Union representation under this Agreement.

Section 6.

For recruitments where the veteran has been determined to be otherwise qualified and the selection process results in a quantified score, Senate Bill 822, Section 2 (1) (a) and (b) shall apply. If this process results in two or more candidates deemed equal and the Employer elects to appoint one of the candidates, the veteran shall be appointed, the seniority provisions of the respective collective bargaining agreements notwithstanding.

For recruitments where the decision to hire or promote rests with a process that does not result in a score, the employer must give the veteran special consideration in such process per SB 822, Section 2 (1) (c).

The provisions of Senate Bill 822 do not apply to grievance settlements, court mandates, Agency recall from layoff and injured worker returns to employment. Secondary recall lists are applicable to the provisions of Senate Bill 822.

ARTICLE 16 - TRIAL SERVICE

Section 1.

All employees hired, appointed, promoted, or re-employed to a position shall serve a trial service period of six (6) months.

Section 2.

At any time during the trial service period, the Agency may remove an employee if, in the judgment of the Agency, the employee is unable or unwilling to perform his/her duties satisfactorily or if in the judgment of the Agency his/her habits and dependability do not merit his/her continuance in the position.

If such employee was previously a regular status employee in another bargaining unit position in the Agency immediately prior to his/her present appointment, he/she shall be reinstated to his/her former position in the bargaining unit, unless charges are filed and he/she is discharged for just cause as provided in [Article 12](#) (Discipline and Discharge). The employee will return to the appropriate salary in the prior classification as if he/she had never left the position.

Section 3.

An employee's trial service period shall not be extended except in instances where an employee has a leave of absence or by mutual agreement of the Parties. A leave of absence shall extend the trial service period by the number of calendar days of the leave taken by the employee. The Parties may mutually agree to extend the trial service period for any agreed upon time period.

Section 4.

If an employee is removed from his/her position during his/her trial service period the employee shall not have rights to appeal the Agency's decision.

ARTICLE 17 - CLASSIFICATION AND CLASSIFICATION CHANGES

Section 1. Work Out of Classification.

- a. When an employee is assigned, in writing, by the Agency for a limited time period to perform the major distinguishing duties of a position at a higher level classification for ten (10) consecutive calendar days, that employee shall be paid at the first step in the assigned classification or five percent (5%) more than his/her current rate of pay, whichever is greater.

When such assignments are made to work out of classification for more than ten (10) consecutive work days, the employee shall be compensated for all hours worked beginning from the first day of the assignment and for the full period of that particular assignment.

When an employee is assigned to work out-of-classification pending approval of a reclassification upward, the work out-of-classification compensation will be paid in accordance with Article 17, Section 6.

- b. An employee who is underfilling a position shall be informed in writing that he/she is an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level to the position, the employee shall be reclassified.

- c. An employee who agrees to perform duties out of class for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. Such assignment shall not exceed six (6) months. A copy of the notice shall be placed in the employee's file.

Section 2. Reclassification Procedure.

- a. A completed Position Description Form and written explanation for a proposed reclassification request shall be submitted to the Manager of Administrative Services.
- b. The Agency shall review and verify the duties assigned to the position. Within thirty (30) days after receipt of reclassification request by Human Resources, the Agency shall notify the Union of its findings. If the findings indicate reclassification, the Agency shall decide to seek approval if necessary or remove the duties.

Section 3. Upward Reclassification.

When a position is reclassified upward a regular incumbent shall be continued in the position. He/she shall be advanced to the higher class with the same status held in the lower class if he/she meets minimum experience and training requirements. When a position is reclassified upward and the incumbent does not have regular status, the position will be filled competitively at the higher level.

Section 4. Downward Reclassification.

- a. When a position is reclassified to another class at the same pay level or to a class that carries a lower salary range, the incumbent trial service or regular employee shall be accorded corresponding status in the new class.
- b. The Agency shall notify an employee in writing of a downward reclassification of the employee's position, and the specific reasons for doing so within thirty (30) days prior to the effective date.
- c. When an employee is reclassified downward, the employee's rate of pay shall be the last salary rate earned in the salary range of the previous classification. It shall remain at that rate until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step and the salary review and eligibility date shall be established one (1) year from that date, provided the employee is not at the maximum of the salary range to which the employee was reclassified.

Section 5. Equal Reclassification Rate.

When an employee is reclassified to a class having the same salary range, his/her rate of pay will not be changed.

Section 6. Pay for Upward Reclassification.

Rate of pay upon upward reclassification shall be no less than the first step of the new salary range. If the old salary rate is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase to the next higher step in the new salary range. However, if the next higher rate is less than 2-1/2% of the employee's current base salary the agency has the discretion to adjust the salary to the next higher salary step.

Section 7. Pay Date of Upward Reclassification.

- a. Effective date of reclassification payment shall be the first of the month following the month in which the reclass request was received by the Department of Administrative Services.
- b. The employee does not retain his/her old eligibility date and will be eligible for salary increase the first of the month following twelve (12) months in the new class.

Section 8. Pay for Upward Reclassification Denial.

If the Legislature does not approve the reclassification request, the employee shall be paid the rate of pay of the higher level classification from the first of the month following the month in which the reclass request was received by the Agency Administrator Appointing Authority or designee to the date the duties were removed.

Section 9. Denied Reclassification/Involuntary Reclassification Appeal Process

Agency Appeal: If an employee's requested reclassification is denied or the Agency reclassifies an employee's position, the Union may appeal the decision in writing to the Agency Head or designee within fifteen (15) calendar days after receipt of the Agency's decision. The appeal must identify the reason(s) the Agency's decision is incorrect. The Agency shall respond to the appeal in writing within fifteen (15) calendar days from receipt of the Union's appeal.

Committee Appeal: If the Agency denies an employee's reclassification request or if the Agency reclassifies an employee's position, the Union may appeal the decision to the Employer/Union Classification Appeal Committee. The appeal must be in writing and submitted within fifteen (15) calendar days from the date the Agency's final decision. All appeals must be supported with copies of documents originally provided to the Agency for the reclassification request, including written explanation of the request and all relevant documentation. No new documentation or information will be considered by the Committee unless mutually agreed upon. Upon request, the Union and employee shall have one (1) opportunity to address the committee.

Employer/Union Classification Appeal Committee: The committee shall be composed of one (1) Employer representative and one (1) Union staff representative. The Committee's sole mission will be to consider appeals pursuant to this section of the article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each representative shall have experience making classification decisions.

Appeal Decision Process: The Committee will attempt to resolve the appeal by jointly determining whether the current or another classification more accurately depicts the overall assigned duties, authorities and responsibilities of the position. In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. The Committee will prepare an initial written decision to the Agency and Union within thirty (30) calendar days of receipt which will include the reasons for the decision. Agency management retains the right to modify duties to ensure consistency with the Agency's work, goals and objectives. If the finding of the committee determines the assigned duties are appropriately classified at a higher salary range and the Agency subsequently removes the higher level duties, the

employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Arbitration: If there is no resolution, the Union may request arbitration in writing within fifteen (15) calendar days from the date of receipt of the Committee's final written decision. The Union's request must be sent to the Department of Administrative Services Labor Relations Unit and shall include the reasons why the Agency's decision is incorrect.

The Parties agree to the appointment of a panel of three (3) arbitrators to hear all appeals under this article. Arbitrators shall be assigned on a rotational basis. The arbitrators shall have experience resolving classification issues. An arbitrator may be removed from the panel by mutual agreement of the Parties. However, each party retains the right to initiate a change in that arbitrator's appointment upon notice to the other party. If this occurs, the Parties agree to select another qualified arbitrator. The change in assigned arbitrator shall be effective for any case not yet scheduled for arbitration. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall apportioned as in the arbitrators' judgment is equitable. All other expenses shall be borne by the Party requiring the service or item for which payment is to be made.

The arbitrator shall allow the Agency's decision to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified below. In the event the arbitrator finds in favor of the proposed or alternate classification, Agency management may elect to remove/modify duties at any point during the process. However, if the agency removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Classification Criteria: For purposes of this section, a reclassification must be based on findings that the purpose of the position is consistent with the concept of the proposed classification and that the class specifications for the proposed classification and that the class specifications for the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Terms used above shall be defined as follows: a) the purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency; b) the concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications, and, c) the overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

This Section supersedes any provisions contained in the Agencies grievance procedure.

ARTICLE 18 - LAYOFF

Section 1. Alternate to Layoff.

1. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. The Parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the Agency will implement layoff procedures consistent with the current applicable agreement.
2.
 - A. Agency and Union discussions under this agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The Parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.

The layoff procedure shall occur in the following manner:

- a. The Agency shall determine the specific positions to be vacated.
- b. Separate layoff lists will apply to full-time and part-time employees in a classification. The Agency shall use reasonable and job related criteria to make its determination. The Agency shall be the sole determinant of whether the employee is capable of performing such duties. The Agency's determination shall not be arbitrary or capricious. The determination shall be grievable.
- If the employee cannot meet these requirements, he/she shall be entitled to similar consideration to the position with the incumbent having the next highest seniority in the Agency and so on provided that the incumbent in the next highest position has a lower seniority than the employee displacing or demoting.

Section 3. Seniority Computation

Computation of seniority for regular status employees shall be made as follows:

- a. One (1) point per month for each month of continuous service with the Agency. A break in service is a separation from the service without pay for more than two (2) years. All part-time service shall be credited on a prorated basis. Periods of authorized leave without pay of fifteen (15) calendar days or more, other than for Union Activity that are for more than ninety (90) calendar days will be deducted from service credits calculations. When a layoff is announced, seniority scores shall be frozen on that date until the layoff and any subsequent bumping activity is completed. Service credit lists for permanent employees shall be updated and posted annually beginning October 1, 2011.
- b. If two (2) or more employees have equal seniority, the tie shall be broken as follows, with most credit given in priority order:

Section 4. Layoff List.

Names of regular status employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff shall be placed on layoff lists in seniority order established by the class from which the employee was laid off or demoted in lieu of layoff. The life of a layoff list shall be two (2) years.

- b. Definitions:
 1. Geographic areas, for the purpose of secondary recall, are as established in Section 1.f above.
 2. Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract.
 3. Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.
- c. Coordination with Filling of Vacancy and Layoff Articles: The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- d. Procedures:

 - (a) Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in his/her personnel file) by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in his/her personnel file, that employee may request and shall be placed on the secondary recall list for the remainder of the two (2) years eligibility following

layoff once the discipline has remained in the file for the length of time required by the agency's contract.

- (b) Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.

2. Use of the Secondary Recall List.

- (b) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
- (c) Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.
- (d) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

3. Appointments/Refusals of Appointments from the Secondary Recall List.

- (a) A laid off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List; however, an agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.
- (b) Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.
- (c) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months except that employees hired into the Offender Information and Sentence Unit as Prison Term Analyst (PTA) shall serve a trial service period consistent with the DOC agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the

Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four (24) month recall period where the trial service removal was not related to potential misconduct warranting an economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.

- (d) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 6. Temporary Interruption of Employment.

Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which do not exceed fifteen (15) consecutive work days, shall not be considered a layoff.

When the Employer declares that a temporary interruption of employment should be considered because of lack of funds, either party may provide the other with written notice to meet and discuss possible terms of such interruption or alternative options. Such meeting must occur within thirty (30) days of the declaration. Terms and alternatives shall be subject to mutual agreement by the Union and the Employer. The Parties agree that any and all discussions that take place under this Section shall not be subject to the Complete Agreement articles of any of the agreements or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution process contained in the PECBA.

REV: 2015

ARTICLE 19 - PAYDAY AND PAY ADVANCES

Section 1.

All employees shall normally be paid no later than the first of the month. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When a payday falls on a Saturday, Sunday or Holiday, employee paychecks shall be made available on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time and day. Any violation of this provision shall be cause for disciplinary action. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax.

Section 2.

The Parties agree that pay advances will be kept to an absolute minimum and are for emergencies. Within that context, employees may obtain an advance on their salary. The amount of the request shall not exceed sixty (60) percent of gross pay earned, but shall be at least one hundred dollars (\$100). Employees will submit requests to the Agency payroll office by the 20th of the month. If any employee requests more than one pay advance in any twelve (12)-month period, management has the right to deny it.

ARTICLE 20 - HEALTH AND SAFETY

The Agency will agree to provide and maintain safe working conditions. The Union will cooperate in these efforts and encourage employees to work in a safe manner and promptly report to their supervisor all injuries.

Adequate, safe equipment shall be provided for all employees. No employee shall be expected to perform a work assignment that would cause him or her imminent danger or can be reasonably considered unsafe. An employee who refuses to perform work for reasons of safety shall file a complaint with the OR-OSHA.

Time lost by the employee as a result of any refusal to perform work on the grounds it is unsafe or might unduly endanger his/her health shall not be paid by the Agency unless the employee's claim is upheld by the OR-OSHA.

ARTICLE 21 - EDUCATION AND TRAINING

Section 1.

The Agency will determine training needs, programs, procedures and the selection of employees for the training or educational opportunity.

Section 2.

The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training. ARTICLE 22 - HOURS OF WORK

Section 1.

- a. The normal full-time workweek shall consist of forty (40) hours within the designated workweek, worked on the basis of five (5) consecutive eight (8)-hour days. The Agency's normal work schedule shall be Monday through Friday. The workweek shall begin at 12:01 a.m. on Monday and end on Sunday at 12:00 midnight. Nothing in this Article or any part of this Agreement shall be construed as a guarantee of hours of work or a guaranteed workweek.
- b. A regular work schedule consists of five (5) consecutive eight (8)-hour days. The regular workweek shall be Monday through Friday. An irregular work schedule consists of four (4) consecutive ten (10)-hour days. Alternative work schedules are schedules that are neither regular nor irregular.
- c. Irregular or alternative work schedules may be authorized based on the Agency operational needs, as determined by the Agency. An employee desiring an irregular or alternative work schedule must request such schedule by means of a written request which includes the reasons the employee believes the request will meet the operational needs of the Agency to his/her supervisor. The supervisor's or Agency's decision to grant or deny such request may not be grieved and is not subject to the grievance procedure.

However, the Agency agrees to meet with the employee and a representative of the Union, if the denial of the request is disputed, in an effort to fully discuss all concerns, for a reasonable period of time, not to exceed two (2) hours.

Section 2.

A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

Work schedule is defined as any paid status hours.

Section 3. Meal Periods.

Employees shall receive one (1) hour unpaid meal period during each work shift. Whenever possible, meal periods shall be scheduled at the middle of the shift. A shorter or longer meal period may be allowed if by mutual agreement between the employee and Employer.

Section 4. Professional Employees.

Professional employees, as defined by FLSA standard, are paid with a predetermined salary each week irrespective of the number of hours worked in a workweek. Hours of work are defined as those hours of the day, days of the week for which the employees are required to fulfill the responsibilities of their professional positions. The workweek for professional employees shall begin at 12:01 a.m. on Monday and end on Sunday at 12:00 midnight.

The normal workweek under this section shall be Monday through Friday. It is understood that weekend work may be required from time to time.

Section 5.

Established work schedules will not be changed with less than ten (10) calendar days' advance notice except when operating requirements of the Agency require it.

Section 6.

When the employee is required by the agency to travel, the actual travel time shall be considered time worked. Where required travel is outside an employee's regular work hours (excluding normal commuting time), the employer may temporarily modify the employee's weekly schedule without daily overtime or schedule change penalty. Where such schedule modification still results in the need for additional work hours, the employee shall be paid the appropriate rate of pay for all time worked over forty (40) hours in that workweek.

ARTICLE 23 - INCLEMENT CONDITIONS

Section 1.

- a. The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather or weather-related hazardous conditions. Where an employee arrives late due to this extended commute, he/she may cover the time with accrued vacation, compensatory time off, personal leave or approved leave without pay.

Section 4. Alternate Work Sites.

Employees may be assigned or authorized to report to work at an alternative work site(s) and be paid for the time worked.

The Agency may also require such certificate from the employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee may be disciplined pursuant to [Article 11](#) (Discipline and Discharge).

Section 7. Request for Additional Time Off - Job Incurred Illness or Injury.

After earned sick leave has been exhausted and the employee has the opportunity to exercise the option of using paid leave time or vacation leave as outlined in [Article 33](#) (Workers Compensation), the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by a duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of that position.

As long as the employee's compensatory time balance does not exceed forty (40) hours, an employee may retain up to forty (40) hours of sick leave for use upon returning to work as long as the combined total of compensatory time and sick leave do not exceed forty (40) hours. Designation to retain the leave shall be made in writing to CCB's Personnel Coordinator

prior to the beginning of the qualifying leave. Such employees are not eligible to receive hardship leave donations.

ARTICLE 27 - OTHER LEAVE

Section 1. Personal Leave.

When the date requested for preretirement leave cannot be granted for the above reason, the Agency shall offer a choice from three (3) other sets of dates. The leave discussed under this Section may be used to investigate and assemble the employee's retirement program, including PERS, Social Security, insurance, and other retirement income.

If the training time for which the employee is called to active duty is longer than fifteen (15) calendar days, the employee may be paid for the first fifteen (15) days only if such time is served for the purpose of discharging an obligation of annual active duty for training in the military reserve or National Guard. An employee voluntarily or involuntarily seeking military leave without pay to attend service school shall be entitled to such leave during a period of active duty training. However, such reduction in salary will not be made for an FLSA-exempt employee on temporary military leave except for full workweek increments where such leave causes an absence of one (1) or more full workweeks.

For the purposes of this section, "training year" means the federal fiscal year for any particular unit of the National Guard or a reserve component.

Section 5. Military Leave Without Pay.

An employee in the State service shall be entitled to a military leave of absence without pay during a period of service with the armed forces of the United States. He/she shall, upon honorable discharge from such service, be returned to a position in the same class as his/her last held position, at the salary rate prevailing for such class, without loss of seniority or employment rights. Employees shall make application for reinstatement within ninety (90) days and shall report for duty within six (6) months following separation from active duty. Failure to comply may terminate military leave. - c. All Interview Leave time, including travel, approved under Subsection (a) and (b) must be recorded as Interview Time (IT) on the employee's timesheet/time reporting record.
 - d. An Agency shall not incur any employee reimbursement costs.

Section 10. Donating Blood.

The Agency shall notify the employee when OFLA is running concurrently with bereavement leave. After OFLA eligible leave for bereavement is exhausted, if additional leave is needed, an employee may, with prior authorization, use any accrued leave, or leave without pay at the option of the employee for any period of absence from employment to discharge the customary obligations arising from a death in the immediate family or the employee's spouse. Regular and Trial Service employees may be eligible to receive up to forty (40) hours of donated leave, to be used consecutively. The employee must have exhausted all available accumulated leave and qualify to receive hardship leave. For purposes of this Article, "immediate family" shall include the employee's or the employee spouse's parent, wife, husband, child, brother, sister, grandmother, grandfather, grandchild, or the equivalent of each for domestic partners, or another member of the immediate household. In such instances, prorated charges will be

ARTICLE 34 - RECOUPMENT OF WAGE AND BENEFIT OVERPAYMENTS AND UNDERPAYMENTS

Section 1. Overpayments.

- a. In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid. For purposes of recovering overpayments by payroll deduction, the following shall apply:
 1. The Agency may, at its discretion, use the payroll deduction process to correct any overpayment made within a maximum period of two (2) years before the notification.
 2. Where this process is utilized, the employee and Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 3. If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in sub (4) below.
 4. If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular monthly base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may

- be deducted from the employee's final check.
- b. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
 - c. The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

Section 2. Underpayments.

- a. In the event the employee does not receive the wages or benefits to which the record/documentation has for all times indicated the employer agreed the employee was entitled, the Agency shall notify the employee in writing of the underpayment. ARTICLE 35 - PARKING

If there are any proposed changes in parking rates for employees at any State owned or operated parking facility, the Agency agrees to notify the staff of such proposals when the proposals are made known to the Agency.

ARTICLE 36 - SALARIES

Section 1. Public Employees Retirement System ("PERS") Members.

For purposes of this Section 2, "employee" means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to "pick up" the six percent (6%) employee contribution, payable pursuant to law. The Parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 ("PERS Litigation"). Nothing in this Agreement shall constitute a waiver of any party's rights, claims or defenses with respect to the PERS Litigation.

Section 2. Oregon Public Service Retirement Plan Pension Program Members.

For purposes of this Section 3, "employee" means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003 and pursuant to Section 3 of that same chapter, the State will pay

an amount equal to six percent (6%) of the employee's monthly salary, not to be deducted from the salary, as the employee's contribution to the employee's account in that program. The employee's contributions paid by the State under this Section 3 shall not be considered to be "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 3. Effect of Changes in Law (Other than PERS Litigation).

In the event that the State's payment of a six percent (6%) employee contribution under Section 2 or under Section 3, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees' contributions shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code, Section 414(h)(2).

Section 4. Cost of Living Adjustment

Effective December 1, 2015, or either the first (1st) of the month following the date the bargaining unit ratifies the Agreement or upon receipt of an interest arbitration award, whichever is later, all pay rates will be increased by two and one quarter percent (2.25%).

Effective December 1, 2016, or either the first (1st) of the month following the date the bargaining unit ratifies the Agreement or upon receipt of an arbitration award, whichever is later, all pay rates will be increased by two and three quarters percent (2.75%).

Section 5.

See Appendix A for the classification plan with salary ranges.

See Appendix B for the salary schedule for the contract term.

REV: 2015

ARTICLE 37 - STRIKES, LOCKOUTS AND PICKET LINES

The Union agrees that during the life of this Agreement, the Union or its bargaining unit members will not authorize, instigate, aid or engage in any work stoppage, slowdown, sick-out, refusal to work, picketing or strike against the Employer and the Agency, its goods or on its property.

The Agency agrees that during the life of this Agreement there will be no lockout.

ARTICLE 38 – CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members.

However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

The Employer will count eighty (80%) percent of the affected employee's straight-time wage rate when comparing the two (2) plans.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise his/her rights under (c) below:

- a. Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Public Employee Benefits Board is allowed by law and pertinent rules of eligibility.

Pursuant to [Article 18](#), an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or

- b. Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with [Article 15](#) (Filling of Vacancies), this Article shall prevail.
- c. An employee may exercise all applicable rights under [Article 18](#) (Layoff).

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

- a. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- b. The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS HRSD Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

Section 6. Review of Contracted Work.

Upon request, the union may view state contracts deemed public records. The union will contact the agency manager responsible for procurement and contracts to arrange a time to review the contracts. The agency will let the union review any contracts that the agency itself stores, and are available through public records request. The union will contact the state archivist for older contracts under the public records law. The union may submit suggestions to the agency as to how bargaining unit members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The Parties may discuss the union suggestions at their labor/management meetings and determine the most effective and efficient way to accomplish the work in the future for Agency initiated contracts. Decisions around reviewing of contracted work are not subject to the grievance procedure.

(See LOA: [Feasibility Study](#))

ARTICLE 39 - LEGISLATIVE ACTION

Provisions of this Agreement not requiring legislative funding, or statutory changes, before such provisions can be put into effect, shall be implemented on the effective date of this Agreement or as otherwise specified herein.

Section 2.

Upon signing this Agreement, both Parties shall promptly submit, and jointly recommend, to the Legislative Assembly or to the Emergency Board, the passage of the funding necessary to implement this Agreement.

Section 3.

Should the Legislative Assembly or the Emergency Board fail to enact or adopt matters submitted to them under the preceding Sections, then the Employer and Union shall immediately meet, negotiate and agree on modifications or substitutions for the affected portion or portions of this Agreement pursuant to the procedures provided by [Article 4](#) (Savings).

ARTICLE 40 - LEADWORK DIFFERENTIAL

Section 1.

Leadwork Differential shall be defined as a differential as indicated in Section 4 below for employees who have been assigned by their supervisor in writing "leadwork" duties over two (2) employees in their classification for five (5) consecutive work days or longer. Leadwork is where, on a recurring basis, while performing essentially the same duties as the workers led, the employee has been directed to perform all of the following functions: orient new employees, when appropriate; assign and reassign tasks; transmit established standards of performance to workers; review work of employees to ensure conformance of work standards; provide informal assessment of workers' performance to the supervisor; and train employees in new work methods.

Section 2.

When such leadwork assignments exceed five (5) consecutive work days, the employee shall be compensated for all hours worked beginning from the first day of the assignment and for the full period of that particular assignment.

Section 3.

Leadwork Differential shall not apply to voluntary training and development purposes which are mutually agreed in writing between the supervisor and employee.

Section 4.

The differential shall be five percent (5%) above the employee's current monthly base rate of pay.

- b. An employee leaves before or arrives after normal work hours and can reduce the amount of State paid travel time by parking a State car at the employee's home.
- c. A garaging exemption has been authorized:
 1. When a regular work assignment requires personnel availability during nonbusiness hours for frequent, unscheduled or emergency state business.
 2. In other circumstances where home garaging will clearly reduce the Agency's direct cost. (For example, theft, vandalism, etc.).

ARTICLE 42 - PERFORMANCE APPRAISAL

The employee will be rated by his/her immediate supervisor. The rater shall discuss at least annually the performance appraisal with the employee. The employee shall have the opportunity to provide his/her comments to be attached to the performance appraisal. The employee shall sign the performance appraisal and that signature shall only indicate that the employee has read the performance appraisal. A copy shall be provided the employee at this time. Any written comments of the employee shall be attached to the performance appraisal.

ARTICLE 43 - TERM OF AGREEMENT

Section 1.

Unless otherwise noted in the Agreement, this Agreement becomes effective on the date of ratification at the local table and expires June 30, 2017. The Union shall send a letter informing the Department of Administrative Services, Labor Relations Unit (LRU) and the affected Agency of the specific ratification date of the Tentative Agreement.

Section 2.

Negotiations for the successor Agreement will start as mutually agreed after January 1, 2017.

Section 3.

It is recognized by the Employer that employees representing the Union during the process of negotiations are acting on behalf of the Union as members not in their capacity as employees of the Employer.

REV: 2015

ARTICLE 44 - HARDSHIP LEAVE

Section 1. Hardship Leave Donation

- a. The Agency shall allow employees to voluntarily transfer vacation leave or compensatory time to a co-worker for use by employees recuperating from or treating an extended and continuing illness or injury of a serious nature, provided the receiving employee has exhausted all accumulated leave hours except for 24 hours sick leave.
- b. Applications for hardship leave donations shall be made in writing and sent to the Agency's Human Resources Office, accompanied by the treating physician's written statement certifying that the illness or injury will continue for at least 15 calendar days past the time the employee's leave hours (except for 24 hours of sick leave) will be exhausted.

Section 2. Hardship Leave Administration.

- a. Hours of leave donated will be converted at the Donor's hourly rate. Approved leave shall be converted into sick leave hours at the Donee's hourly rate into a dollar amount. Deductions will be made accordingly.

1. Employees on Workers' Compensation or receiving short- or long-term disability benefits may not participate in the Hardship Leave program as a donee.
2. All accumulated leave hours must be donated and transferred in block of two (2) hours or more. All hours of leave donated from co-workers and/or management will be converted into an hourly rate and then applied to the Donee's account at his/her hourly rate as needed. If not needed, time will be returned to Donor.
- c. Employees may be asked to disclose information about all insurance policies or employee benefits.
- d. Any other requirements or conditions shall be determined or set forth by the Agency or division administrator on a case-by-case basis.

REV: 2015

ARTICLE 45 - IMPLEMENTATION OF NEW CLASSES—APPEALS PROCESS

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

Section 1.

- a. An appeal may be filed by an individual employee or a steward or a Council Representative on behalf of the employee, to the Agency personnel office within fifteen (15) calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

1. The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
2. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and

3. The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- b. If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two (2) resource persons, one (1) designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified. If the Parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

- c. The decision of the designees shall be binding on the Parties. However, agencies may elect to remove/modify duties at any point during the process.
- d. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45) calendar day period. Each party may go forward with only one (1) class. Each party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position.
- e. Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.
- f. This process terminates upon completion of the allocation process.

ARTICLE 46 - BILINGUAL DIFFERENTIAL

When formally assigned in the employee's position description, an employee assigned to interpret to or from another language (including American Sign Language) to English will receive a differential of five percent (5%) of base pay.

REV: 2015

ARTICLE 47 – MAINTENANCE OF MEMBERSHIP

All members of the bargaining unit who are members of the Union as of the effective date of the Agreement or who subsequently voluntarily become members of the Union shall continue to pay dues, or the equivalent, to the Union during the term of this Agreement. This section shall not apply during the 30-day period prior to the expiration of this Agreement for those employees who, by written notice sent to the Union and the Employer, indicate their desire to withdraw their membership from the Union.

The Union shall indemnify and save the Agency harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Agency for the purpose of complying with the provisions of this section.

REV: 2015

ARTICLE 48 – COMPLAINT PROCEDURE

In the event the Employer receives a complaint that is non-criminal in nature and determines a formal investigation is necessary, the Employer will notify the employee of the investigation, provided such notice does not compromise the ability to investigate. Such notice shall include the general nature of the complaint. Before the investigation is completed, the employee will be given the opportunity to provide information the employee deems relevant.
