REV: 2015

ARTICLE 1 - RECOGNITION

The Employer recognizes the Union as the exclusive bargaining agent and representative for all Physicians employed by the State of Oregon, Oregon Health Authority, whose primary responsibility is clinical care of patients; excluding all contract Physicians, supervisory and confidential employees as defined by ORS 243.650(6) and (13), and all Resident Physicians.

Any dispute concerning the bargaining unit composition shall be resolved by the Employment Relations Board subject to possible judicial review.

REV: 2015

ARTICLE 2 - EFFECT OF LAW AND RULES

This Agreement is subject to all applicable existing and future laws of the State of Oregon.

ARTICLE 3 - LEGISLATIVE ACTION

Section 1.

Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted to the Legislative Assembly promptly upon the signing of this Agreement.

Section 2.

Upon signing of this Agreement both parties will jointly recommend to the Legislative Assembly the passage of the funding and statutory changes necessary to implement this Agreement.

ARTICLE 4 - UNION SECURITY

Section 1. Union Activities.

Each Institution agrees to inform all new employees hired into positions included in the bargaining unit of the Union's exclusive representation status, and shall provide all present and future employees in the bargaining unit with a copy of the Agreement. Up to thirty (30) minutes shall be granted for a representative of the Union to make a presentation at the orientation of new employees on behalf of the Union for purposes of identifying the Union's representation status, benefits, facilities, related information and distributing and collecting membership applications. This time shall not be used for discussion of any labor/management disputes. If the Union representative is an Agency

employee, the employee shall be given time off with pay for the time required to make the presentation if such time is during the employee's regularly scheduled work hours.

Section 2. Union Representation.

The Union will notify each Institution's Human Resources (HR) Manager in writing of its representative of the Local, District Council 75, or International, American Federation of State, County and Municipal Employees, AFL-CIO.

Upon proper introduction and notice, the representative shall have reasonable access to the premises of the Institution during all working hours to conduct Union business. These representatives shall observe the security regulations of the Institution. Such visits are not to interfere with the normal flow of work.

Section 3.

Unless otherwise provided in this Agreement, the internal business of the Union shall be conducted by the employees during non-duty time. For the purpose of bargaining a successor agreement, Physicians named to the bargaining team shall be regarded as on paid status for hours spent in direct negotiations.

Section 4. Union Stewards.

- a. The Union shall notify the Institution HR Manager of the selection of stewards and their alternates.
- b. Stewards may receive but not solicit grievances, and may discuss complaints and grievances of employees on the premises and time of the Institution, but only to such extent that it does not neglect, retard, or interfere with the work and duties of the stewards or with the work or duties of employees. Stewards shall be granted reasonable time off during regularly scheduled working hours without loss of pay or other benefits to investigate grievances upon notice to their immediate supervisor. If the permitted activities would interfere with either the steward's or the grievant's duties, the direct supervisor(s) shall, within the next working day, arrange a mutually satisfactory time for the requested activities. No more than one (1) steward shall be involved in the same grievance.
- c. At the Union's request and subject to the operating requirements of the Institution, stewards for the Union shall be granted personal leave, accrued vacation leave, accrued compensatory time or leave of absence without pay to attend the Union's steward training session.

Section 5. Bulletin Boards.

Each Institution agrees to furnish and maintain in each medical office a bulletin board in a convenient place to be used exclusively by the Union for the posting of official Union notices only. The Union shall keep the bulletin board neat and orderly. The Union agrees that it will not post material that is profane, obscene, or defamatory of the Agency or Employer or its representative or employees.

AFSCME representatives may use the Agency's e-mail messaging system to communicate about union business provided that all of the following conditions are met:

- a. Use shall not contain false, unlawful, offensive, or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health, or disability.
- b. The parties understand that any and all communications are not confidential. As such, all communications shall be subject to the Department's Acceptable Use of Electronic Information Systems policy. The Agency reserves the right to trace, review, audit, access, intercept, recover, or monitor use of its e-mail system without notice.
- c. Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency's computer system for Agency business.
- d. E-mail usage shall comply with Agency policies applicable to all users such as protection or confidential information and security information.
- e. The Agency will not incur any additional costs for e-mail usage including printing.
- f. Use of the Agency's e-mail system shall be on employee's non-work time.
- g. Representatives and employees cannot use the "Reply All" function.
- h. The Association shall indemnify and save the employer harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the employer for the purpose of complying with this provision.

This provision no longer will apply if the Department changes or discontinues a computer system and thereby loses the ability to maintain the e-mail system. The Union shall provide the Department with a listing of designated Association officials authorized to access this system.

Section 6. Dues Deductions.

Each Institution agrees to deduct monthly membership dues from the pay of those individuals who request such deductions in writing. The amount to be deducted shall be certified to each Institution HR Manager by the treasurer of the Union, and the aggregate deductions shall be remitted monthly, together with an itemized statement, to the treasurer of the Union.

Section 7. Lists.

Each Institution shall furnish to the Union, monthly, a list of names, classifications and home addresses of new employees in the bargaining unit and a listing of changes of address of bargaining unit employees who have submitted such notice to the Office of

Human Resources. Each Institution shall furnish the Union with a monthly listing of employees who have terminated from the bargaining unit during the previous month.

Section 8. Use of Facilities.

Upon request and approval of the Institution HR Manager the Union shall be allowed the use of the facilities of the Institution for meetings when such facilities are available and the meeting would not interfere with the business of the Institution.

Section 9. Fair Share.

- a. On the first pay period of each month, the institution shall deduct from the wages of employees in the bargaining unit who are members of the Union, and who have requested such deductions pursuant to ORS 292.055, a sum equal to Union dues. This deduction shall begin on the first payroll period following such authorization and shall continue from month to month for the life of this Agreement.
- b. Employees in the bargaining unit who are not members of the Union shall make payments in lieu of dues to the Union. Payments in lieu of dues shall be equivalent to regular Union dues. Effective the first of the month following the month in which this Agreement is executed and on each pay period thereafter, the institution will deduct from the wages of each bargaining unit employee who is not a Union member the payments in lieu of dues required by this Section. Similar deductions will be made in a similar manner from the wages of new bargaining unit employees who did not become members of the Union within thirty (30) days after the effective date of their employment. The Institution shall remit a payment of all said deductions to the Union by the twentieth (20th) of the month after the deductions are made. Said payments shall be accompanied by a listing of the names and Social Security numbers of all employees from whom deductions are made.
- c. Dues and payments in lieu of dues for employees working less than twenty (20) hours per week will be on a prorated basis as outlined by Union policy.
- d. During the life of this Agreement, the Union will notify the Agency periodically of individuals who have become members of the Union and to whom the Fair Share provisions of this Section will not thereafter apply.
- e. Any employee who is a member of a church or religious body having bona fide religious tenets or teachings which prohibit association with a labor organization, or the payment of dues to it, shall pay an amount of money equivalent to regular Union dues to a non-religious charity, or to another charitable organization mutually agreed upon by the employee affected and the Union. The employee shall furnish written proof to the Institution that this has been done. Notwithstanding an employee's claim of exemption under this Section, the Institution shall deduct payments in lieu of dues from the employee's wages pursuant to this Section, until agreement has been reached between the employee and the Union.
- f. The Union shall provide the Institution's Payroll Office with the Union application/authorization forms. Payroll clerks shall supply said applications to

prospective members upon request, and shall process completed applications, forwarding a copy to the Union immediately upon receipt.

- g. The Union agrees that it will indemnify, defend, and save the Employer and each Institution harmless from all suits, actions, proceedings, and claims against the Employer, the Institutions, or persons acting on behalf of the Employer or the Institutions for damages, compensation, reinstatement, or a combination thereof arriving out of the Institutions' implementation of this Article.

Section 10.

At the Union's request and subject to the operating requirements of the Institution, Union officers shall be granted personal leave, accrued vacation leave, accrued compensatory time or leave of absence without pay to attend Union conventions, training programs or official Union meetings.

Section 11. Regular Straight Time Off for Arbitration/ERB Testimony

- a. Subject to prior notification of the physician's immediate supervisor and if properly subpoenaed, the physician will be placed on regular straight time paid time off to testify at an arbitration or Employment Relations Board proceeding during his/her regularly scheduled work hours. The physician shall not be eligible for travel expenses or any on call payments as a result of this Section.
- b. A physician who is a grievant in a case at arbitration will be placed on regular straight time paid time off to testify at the arbitration during his/her regularly scheduled work hours. If a physician serves as a steward of record for the physician's grievance, then that physician will also be placed on regular straight time paid time off to attend the arbitration hearing provided such time is during the physician's regular scheduled work hours. Neither the physician nor the steward of record shall be eligible for travel expense or any on call payments as a result of this Section.

Section 12. AFSCME President Leave

- a. Long Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, one (1) President/designee from an AFSCME Council 75 Central Table participating Agency shall be given release time from his/her position for a period of time up to one (1) year for the performance of Union duties related to the collective bargaining relationship. However, if the Union President/designee or Executive Director requests release time for less than his/her full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits. AFSCME shall indemnify and hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this provision.

- b. Short Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit and the Agency's Human Resource Manager, up to four (4) Presidents/designees from AFSCME Council 75 Central Table participating Agencies shall be given release time from his/her position for a period of time up to three (3) months for the performance of Union duties related to the collective bargaining relationship. Only one (1) employee from a bargaining unit and a total of four (4) employees from all Central Table Participating bargaining units may be on such leave at any one (1) period in time. Such requests will be granted unless the affected Agency can demonstrate that the employee's absence would adversely impact the operating needs of the employee's work unit. If granted, such time may also be taken on an intermittent basis. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits.

Section 13. Names of Retirees.

The Employer will send a monthly report to the Union of the names of individuals that have retired the previous month. For purposes of this Agreement, a retiree shall be defined as a person who has given the Agency written notice that he/she is separating from State service by retirement and that person has actually separated from State service.

Section 14. Reports

Upon request and no more than once a quarter the Agency shall provide to the Union the names of any temporary/Limited duration employees (management/unrepresented/bargaining unit) hired, reason for the hire and expected duration of the appointment.

Upon request and no more than once a quarter, the Agency shall provide to the Union the names of all employees in double fill positions, the reason for the double fill and the expected duration of the appointment if available.

Upon request, the Agency shall provide to the Union on an annual basis the Agency organization charts showing management positions and the positions they supervise.

Section 15. Intermittent Union Leave.

When Union officials (officers and stewards) are designated in writing by the Executive Director of Oregon AFSCME to attend AFSCME Council 75 Biennial or AFSCME International Conventions, the following provisions apply:

- a. The Executive Director of Oregon AFSCME shall notify affected agencies in writing of the name of the employee(s) at least thirty (30) days in advance of the date of the AFSCME Convention. For agencies of one hundred (100) or fewer bargaining unit members, no more than one (1) bargaining unit member per agency may be designated to attend AFSCME conventions. For agencies of greater than one hundred (100) bargaining unit members, no more than two (2) bargaining unit members may be designated to attend AFSCME conventions under this provision.

- b. Subject to agency head or designee approval based on the operating needs of the employee's work unit, including staff availability, the employee will be authorized release time with pay.
- c. The paid release time is limited to attendance at the conference and travel time to the conference if such time occurs during the employee's regularly scheduled working hours up to forty (40) hours per calendar year.
- d. The release time shall be coded as Union business leave or other identified payroll code as determined by the State.
- e. The release time shall not be included in the calculation of overtime nor considered as work related for purposes of workers' compensation.
- f. The employee will continue to accrue leaves and appropriate benefits under the applicable collective bargaining agreement except as limited herein.
- g. The Union shall, within thirty (30) days of payment to the employee, reimburse the State's affected agency for all Employer related costs associated with the release time, regular base wage and benefits, for attendance at the applicable conference.
- h. The Union shall indemnify and the Union and employee shall hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with these provisions.

Section 16. Maintenance of Membership

All members of the bargaining unit who are members of the Union as of the effective date of the Agreement or who subsequently voluntarily become members of the Union shall continue to pay dues, or the equivalent, to the Union during the term of this Agreement. This section shall not apply during the 30-day period prior to the expiration of this Agreement for those employees who, by written notice sent to the Union and the Employer, indicate their desire to withdraw their membership from the Union.

The Union shall indemnify and save the Agency harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Agency for the purpose of complying with the provisions of this Section.

REV: 2015

ARTICLE 5 - MAINTENANCE OF STANDARDS

The Agency shall not issue any directives or written statements that have any effect on mandatory subjects of bargaining established by this Collective Bargaining Agreement unless such directives or statements have been agreed upon with the Union. Nothing in this Section is intended to inhibit the Agency from issuing directives and/or statements which interpret or effectuate a contractual obligation; however, a copy of such statements or directives shall be sent to the Union prior to distribution.

ARTICLE 6 - STRIKES AND LOCKOUTS

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform his/her assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slow down by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of bargaining units for which it has been certified, or for which recognition has been extended by the Employer, to strike, walk out, slow down or commit other acts of work stoppage.

Upon notification, confirmed in writing by the Employer or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing, with a copy to the Employer and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification to employees covered by this Agreement by the Union shall be made at the request of the Employer or Agency.

ARTICLE 7 - SAVINGS CLAUSE

Should any article, section or portion of the Agreement be held unlawful and/or unenforceable by a court or board of competent jurisdiction, such invalidation shall apply only to the specific article, section or portion directly specified. Upon the receipt of such a decision, the parties shall, upon demand, begin negotiations to replace this Agreement's invalidated article, section or portion.

ARTICLE 8 - MANAGEMENT'S RIGHTS

Except as may be specifically modified by the terms of this Agreement, the State retains all rights of management in the direction of its work force.

These rights of management shall include, but not be limited to, the right to:

1. Direct employees.
2. Hire, promote, transfer, assign, and retain employees.
3. Suspend, discharge, or take other proper disciplinary action against employees.
4. Reassign employees.
5. Relieve employees from duty because of lack of work or other proper reasons.
6. Schedule work.

7. Determine methods, means, and personnel by which operations are to be conducted.

ARTICLE 9 - CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise his/her rights under (c) below:

- a. Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to [Article 24](#), an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- b. Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with [Article 24](#), Section 2, paragraph c, Filling of Vacancies, this Article shall prevail.
- c. An employee may exercise all applicable rights under [Article 24, Layoff](#).

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

- a. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- b. The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

Section 6. Review of Contracted Work

Upon request, the union may view state contracts deemed public records. The Union will contact the Agency manager responsible for procurement and contracts to arrange a time to review the contracts. The Agency will let the Union review any contracts that the Agency itself stores, and are available through public records request. The Union will contact the state archivist for older contracts under the public records law.

The OSH will provide a copy of the OHSU contract for physician services to the Union within sixty (60) days of initiation, amendment or renewal. The Union may submit suggestions to the OSH on physician service contracts as to how bargaining unit

members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The Parties may discuss the Union suggestions and/or concerns at their labor/management meetings and determine the most effective and efficient way to accomplish the work in the future. Decisions around reviewing of contracted work are not subject to the grievance procedure.

See LOA: [Feasibility Study](#)

REV: 2017

ARTICLE 10 - EQUAL OPPORTUNITY

Section 1.

The Employer and the Union agree to continue their policies of not unlawfully discriminating against any employee because of race, color, religion, sex, national origin, age, mental or physical handicap, marital status, or political affiliation.

Section 2.

Any and all complaints alleging any form of unlawful discrimination may be submitted by an employee or the Union on the employee's behalf, directly to the HR Manager for the Office of Human Resources, Oregon Health Authority. If the complaint is not satisfactorily resolved within thirty (30) calendar days of its submission at this level, the employee shall, if he/she chooses to proceed with the complaint, file the complaint with the Bureau of Labor and Industries or the Equal Employment Opportunity Commission (EEOC) for final resolution.

Discrimination complaints will not be subject to the grievance procedure contained in this Agreement.

REV: 2015

ARTICLE 11 - CLINICAL POLICY MATTERS

Clinical staff physicians shall have responsibility and authority for policy in clinical matters in accordance with ORS 441.055. The parties agree issues involving physician caseload and other physician responsibilities as they relate to clinical care are appropriate subjects for the institution medical staff under this Article. Management, in conjunction with that Institution's medical staff, shall establish reasonable caseloads on a program by program basis.

The parties agree to establish a mechanism to consider ways to reduce paperwork. Additionally, each staff may consider ways to redistribute caseloads which allows for the utilization of existing position authority as a "floater" for relief purposes.

In the event that an individual physician's caseload exceeds the established reasonable caseload, the Chief of Medicine or Chief of Psychiatry shall, at the physician's request, meet with that physician to establish reasonable priorities and/or performance expectations.

Physicians have the responsibility and authority to use professional judgment to determine the safety of treating a combative patient and defer treatment until sufficient staff are available to safely treat the patient.

REV: 2015

ARTICLE 12 - SALARIES

Section 1.

a. **PERS and PERS Pickup**

Current language on PERS and PERS pickup shall continue through January 31, 2019.

b. **Public Employees Retirement System ("PERS") Members.**

For purposes of this Section 1, "employee" means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to "pick up" the six percent (6%) employee contribution, payable pursuant to law. The parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 ("PERS Litigation"). Nothing in this Agreement shall constitute a waiver of any party's rights, claims or defenses with respect to the PERS Litigation.

c. **Oregon Public Service Retirement Plan Pension Program Members.**

For purposes of this Section 2, "employee" means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003 and pursuant to Section 3 of that same chapter, the State will pay an amount equal to six percent (6%) of the employee's monthly salary, not to be deducted from the salary, as the employee's contribution to the employee's account in that program. The employee's contributions paid by the State under this Section 2 shall not be considered to be "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

d. **Effect of Changes in Law (Other than PERS Litigation).**

In the event that the State's payment of a six percent (6%) employee contribution under Section 1 or under Section 2, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees' contributions shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code, Section 414(h)(2).

e. PERS Pickup.

Effective February 1, 2019 compensation plan salary rates for PERS participating members shall be increased by six and ninety five one hundredths percent (6.95%). At that time bargaining unit employees will begin to make their own six percent (6%) contributions to their PERS account or the Individual Account Program as applicable. Employees' contributions shall be treated as 'pretax' contributions pursuant to Internal Revenue Service Section 414(h)(2).

In the event that arbitration becomes necessary, the Union and the Employer shall, within thirty days of the request for arbitration, the Parties agree that Michael Cavanaugh will serve as the arbitrator to hear and rule on all grievances properly filed and submitted to arbitration. After six (6) calendar months starting from the date this Agreement is signed, the Parties may reopen this Section of the Article seeking to change arbitrator if they mutually agree in writing.

Section 7.

The parties agree that the decision or award of the Arbitrator shall be final and binding on each of the parties and that they will abide thereby. The Arbitrator shall have no authority to add to, subtract from or change any of the terms of this Agreement, to change an existing wage rate or establish a new wage rate.

Section 8.

The Arbitrator's fee and expenses shall be paid by the losing party. ARTICLE 23 - PERSONNEL RECORDS

Section 1.

An employee may, upon request, inspect the contents of his official Agency personnel files except for confidential reports from previous employers. No grievance material shall be kept in the personnel file. There shall be only one (1) personnel file kept for each employee.

Section 2.

No information reflecting critically upon an employee shall be placed in the employee personnel file that does not bear the signature of the employee. The employee shall be required to sign such material to be placed in his personnel file provided the following disclaimer is attached:

"Employee's signature confirms only that the supervisor had discussed and given a copy of the material to the employee, and does not indicate agreement or disagreement."

If the employee is not available within a reasonable period of time or the employee refuses to sign the material, the Institution may place the material in the file provided a statement has been signed by two (2) management representatives and a copy of the document was mailed to the employee at his address of record and a copy to the Union.

Section 3.

If the employee believes that any of the above material is incorrect or a misrepresentation of facts, he shall be entitled to prepare in writing his explanation or opinion regarding the prepared material or to file a written grievance. This shall be included as part of his personnel record until the material is removed.

Section 4.

All disciplinary actions shall be retained in the employee's official personnel file for a maximum of three (3) years. Such material may be removed after twenty-four (24) months, upon written request of the employee, provided there have been no incidents of a similar nature in the interim. Earlier removal may be permitted when requested by the employee and if approved by the Appointing Authority.

ARTICLE 24 - LAYOFF

Section 1. Alternative to Layoff

- a. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. The parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the Agency will implement layoff procedures consistent with the current applicable agreement.
- b. Agency and Union discussions under this agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.

Section 2.

Should the institution find it necessary to reduce the number of physicians through layoff, the physician(s) with the lowest length of service will be affected, unless specialty

requirements prevent this. The Union will be notified as soon as the Agency anticipates any reduction of physicians pursuant to this Article.

Seniority for the purpose of layoffs and solely the purposes of layoff, shall be defined as time spent in the bargaining unit. Leave without pay that exceeds ninety (90) days shall be deducted from an employee's seniority unless the leave is protected by federal or state law (e.g., USERRA military leave, FMLA/OFLA leave). Seniority shall be forfeited if a Physician has a break in service from the Agency for three (3) years or more.

Part-time employees earn pro rata seniority credit.

Before the layoff of any bargaining unit physicians, the Agency will eliminate contract physicians unless the contract physician has a specific identified specialty or certification that is not possessed by any qualified bargaining unit physician. Any bargaining unit physician laid off at one (1) facility shall be considered for any vacant bargaining unit position at the other facilities provided the physician is qualified for the position(s). Additionally, the Agency will meet with the affected physicians to discuss other job placement possibilities.

Recall will occur in reverse order of layoff unless special needs of the Agency prevent this. Recall eligibility will continue for three (3) years from date of layoff.

Section 3. Secondary Recall Rights.

- a. Application. These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.
- b. Definitions.
 1. Geographic areas, for the purpose of secondary recall, are each location for which an employee may indicate his/her willingness to relocate on the state's application process.
 2. Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract.
 3. Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.
- c. Coordination with Filling of Vacancy and Layoff Articles. The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

d. Procedures:

1. Placement on the Secondary Recall List.

- A. Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in his/her personnel file) by layoff or transferred outside state government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be three (3) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in his/her personnel file, that employee may request and shall be placed on the Secondary Recall List for the remainder of the two (2) years eligibility following layoff once the discipline has remained in the file for the length of time required by the agency's contract.
- B. Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.

2. Use of the Secondary Recall List.

- A. After the exhaustion of the Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.
- B. To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
- C. Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.
- D. Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

3. Appointments/Refusals of Appointments from the Secondary Recall List.
- A. A laid off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List; however, an agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.
 - B. Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.
 - C. Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months except that employees hired into the Offender Information and Sentence Unit as Prison Term Analyst (PTA) shall serve a trial service period consistent with the DOC agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four (24) month recall period where the trial service removal was not related to potential misconduct warranting an economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.
 - D. Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 4. Temporary Interruption of Employment.

When the Employer declares that a temporary interruption of employment should be considered because of lack of funds, either party may provide the other with written notice to meet and discuss possible terms of such interruption or alternative options. Such meeting must occur within thirty (30) days of the declaration. Terms and alternatives shall be subject to mutual agreement by the Union and the Employer. The parties agree that any and all discussions that take place under this Section shall not be subject to the Complete Agreement articles of any of the agreements or constitute interim negotiations under PECBA. In addition, the parties will not be required to use the dispute resolution process contained in the PECBA.

ARTICLE 25 - POSTING

Any position which becomes open in the bargaining unit shall be publicized in each Agency.

ARTICLE 26 - IMPLEMENTATION OF NEW CLASSES—APPEALS PROCESS

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

Section 1.

- a. An appeal may be filed by an individual employee or a steward or a Council Representative on behalf of the employee, to the Agency Office of Human Resources within fifteen (15) calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

1. The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
 2. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
 3. The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- b. If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two (2) resource persons, one (1) designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified. If the parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

- c. The decision of the designees shall be binding on the parties. However, agencies may elect to remove/modify duties at any point during the process.
- d. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45) calendar day period. Each party may go forward with only one (1) class. Each party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position.
- e. Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.
- f. This process terminates upon completion of the allocation process.

ARTICLE 27 – INCLEMENT WEATHER/HAZARDOUS CONDITIONS LEAVE

Section 1.

- a. The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather or weather-related hazardous conditions. The Employer/Agency may provide this information through methods such as pre-designated internet web sites, phone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1 of each year. Notifications do not apply to employees who are required to report to work. Essential employees/positions shall be designated by the Agency by November 1 of each year. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).

- b. Where the Employer/Agency has announced a delayed opening pursuant to Section 1A employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two (2) hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, he/she may cover the time with accrued vacation, compensatory time off, personal leave or approved leave without pay.

Section 2.

When the Employer/Agency notifies employees not to report to work pursuant to Section 1, prior to the beginning of the work shift the following applies:

- a. FLSA Non-Exempt Employees. Non-exempt employees shall not be paid for the period of the closure. However, employees shall be allowed to use accrued vacation, compensatory time off, personal leave or approved leave without pay for the absence(s).

A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations may be directed to leave work and if so directed shall not be paid for the remainder of the shift unless utilizing accrued leave as described above. An employee who actually begins work shall be entitled to pay for all actual hours worked.

- b. FLSA Exempt Employees. The exempt employee shall be paid for the work shift. An FLSA exempt employee may be required to use paid leave or leave without pay where the closure applies to that employee for one (1) or more full workweek(s)

Section 3.

When in the judgment of the Employer/Agency, inclement weather or weather-related hazardous conditions require the closing of the work place following the beginning of an employee's work shift, the employee shall be paid for the remainder of his/her work shift.

Section 4. Alternate Work Sites.

Employees may be assigned or authorized to report to work at an alternative work site(s) and be paid for the time worked.

Section 5. Late or Unable to Report.

Where the Agency remains open and an employee notifies his/her supervisors that he/she is unable to report to work, or will be late, due to inclement weather or weather-related hazardous conditions, the employee shall be allowed to use accrued vacation leave, compensatory time off, personal leave or approved leave without pay.

Section 6. Employees on Pre-scheduled Leave.

If an employee is on pre-scheduled leave the day of the closure, the employee will be compensated according to the approved leave.

Section 7. Make-up Time Provisions.

Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Sections 2 and 5 of this Article may make-up part or all of their work

time missed during the same workweek. In no instance will time worked during the make-up period result in overtime being charged to the Agency. The Employer/Agency shall not be liable for any penalty or overtime payments when employees are authorized to make up work.

Section 8.

Employees who are unable to report to work due to inclement weather and/or weather-related hazardous conditions may be allowed to work from home with prior approval of their supervisor.
