ARTICLE 1 - SCOPE OF AGREEMENT

Section 1.

This Agreement is made and entered into by and between the State of Oregon (hereinafter the "Employer"), acting through its Department of Administrative Services, Chief Human Resource Office-Labor Relations Unit (hereinafter "HRSD-LRU") on behalf of the Oregon Youth Authority (hereinafter the "Agency" or "OYA"), and the American Federation of State, County, and Municipal Employees (AFL-CIO) (hereinafter the "Union"), and is binding upon the Union and the Employer and all designated representatives of the Union and the Employer.

Section 2.

The Agency recognizes the Union as the sole and exclusive bargaining agent for the employees within the certified or recognized bargaining units. All aspects of the employees' wages, hours, and other terms and conditions of employment shall be determined by this Agreement, except in regard to recruitment and selection of applicants for initial appointment to State service. The terms and conditions of employment set forth in this Agreement shall apply to all classified positions (except temporary positions and those positions excludable by ORS 243.650) within the appropriate bargaining unit within the Oregon Youth Authority which is:

All Oregon Youth Authority positions classified as Juvenile Parole and Probation Officer and Correction Counselor, Entry, with a title of Parole Assistant.

The Parties agree that the term "classified employee" does not include temporary employees appointed under the provisions of ORS 240.380 or part-time employees who regularly work thirty-two (32) hours or less per month.

Section 3.

If the Agency establishes a new position which is not clearly excluded from the bargaining unit under ORS 243.650 or reclassifies an existing bargaining unit position, the Employer shall notify the Union in writing within seven (7) days following the action, as to whether or not it believes the classification to be within the bargaining unit. The Union must notify the Employer in writing within ten (10) days from receipt of the notification if it disagrees about the inclusion or exclusion of the classification in the bargaining unit or the matter becomes closed. If notice of the disagreement is received within the ten (10)-day period, the Parties shall meet within fourteen (14) days of above notification to discuss the matter. If an agreement is not reached within thirty (30) days, the Union may submit the matter to the Employment Relations Board. Should the matter not be submitted to the Employment Relations Board within the specified thirty (30)-day period, the matter shall be considered resolved.

Section 4.

This contract incorporates the sole and complete Agreement between the Agency and the Union resulting from negotiations held pursuant to the provisions of ORS 243.650 et seq and supersedes all prior labor contracts. It is acknowledged that during negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter

appropriate for collective bargaining and that the understandings and agreements arrived at by the Parties after the exercise of that right and opportunity are set forth in this Agreement. It shall not be modified in whole or in part except by another written instrument duly executed by the Parties.

Section 5.

- a. The Parties agree that the Chief Human Resource Office Personnel Policies and Agency Procedures relating to their implementation are without effect upon the Agency or members of the bargaining units.
- b. Other policies, procedures, and rules of the Agency which directly relate to mandatory subjects of bargaining as defined by statute and which affect bargaining unit members on the day this Agreement becomes effective shall be continued, unless modified or deleted elsewhere in this Agreement. Should the Agency wish to change such a policy, procedure, or rule, or to issue a new one, notice will be given to the Union. If the Union believes the policy, procedure, or rule to be unreasonable, then within seven (7) days of the date upon which the Union knows, or by reasonable diligence should have known, of the subject action, the Union shall request that the Agency meets to discuss the issue.
- c. Such meeting shall occur within fifteen (15) days of:
 1. Agreement that the issue is a mandatory subject, or
 2. An Employment Relations Board ruling that the issue is a mandatory subject of bargaining.

If agreement which alters the policy, procedure or rule is reached, it shall be reduced to writing and signed by both Parties. If the Parties are unable to reach an agreement within fourteen (14) days following the Level C meeting and the Union continues to believe the policy, procedure, or rule to be unreasonable, it shall notify the Agency in writing of its intent to submit the matter to interest arbitration. Such written notification must be made during the fifteen (15)-day period immediately following the above mentioned fourteen (14)-day period. Failure to file such written notification within the prescribed time shall be understood by both Parties to waive the Union's right to any further objection.

- d. The Parties shall meet within the five (5) days immediately following receipt of notification of the Union's desire to arbitrate and select an arbitrator. Selection of an arbitrator shall be as prescribed in [Article 52, Grievance and Arbitration](#).
- e. The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties and that they will abide thereby, unless the award is vacated pursuant to statute. The power of the arbitrator in this process shall be limited to determine whether the policy, procedure, or rule is unreasonable. If the arbitrator's ruling is that the policy, procedure, or rule is unreasonable, the Agency shall immediately withdraw the policy, procedure or rule.

- f. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.
- g. Time limits specified in this procedure must be observed, unless either party requests a specific extension of time, which, if agreed to, must be stipulated in writing and shall become part of the record.

ARTICLE 2 - TERM OF AGREEMENT

Section 1.

Unless otherwise noted in the Agreement, this Agreement becomes effective on the date of ratification and expires June 30, 2019. The Union shall send a letter informing the Department of Administrative Services Labor Relations Unit and the affected Agency of the specific ratification date of the Tentative Agreement.

Section 2.

The Union will notify the Agency of its selected representatives by December 15, in even-numbered years. The bargaining team shall consist of not more than three (3) Union Representatives covered by the terms of this Agreement. The Union may utilize up to one hundred (100) hours leave with pay for the designated bargaining team representatives for the purpose of actual negotiations. In addition one (1) Union representative shall be allowed to attend all AFSCME Central Table negotiation sessions with pay if the representative is a member of the Central Table Bargaining Team.

Section 3.

Negotiations for a successor agreement will commence between February 1, and March 31, of the year in which the contract expires.

REV: 2015, 2017

ARTICLE 3 - UNION SECURITY

Section 1. New Employees.

The Agency agrees to inform all new employees hired into positions included in the bargaining unit of the Union's exclusive recognition, and shall provide all present and future employees in the bargaining unit with a copy of its Agreement, provided the Parties shall share equally in the costs of preparation and distribution of the Agreement.

The Agency agrees to allow duly certified Union Representatives thirty (30) minutes, to speak to new employees about the Union's exclusive recognition, its benefits, and services available to the membership. This time will not be used for discussion of labor management disputes.

If the Union Representative is an employee of the Agency, the representative will be allowed time off without loss of pay to make the presentation.

Section 2. Union Access.

Accredited representatives of the Local, District Council 75, or International American Federation of State, County and Municipal Employees, AFL-CIO, upon proper introduction and notice, shall have reasonable access to the premises of the Agency during all working hours to conduct Union business (with appropriate observation of the security regulations of the Agency). During periods of bona fide emergency, this provision may be temporarily suspended by the Agency as required for the duration of the emergency.

Section 3.

Unless otherwise provided in this Agreement, the internal business of the Union shall be conducted by the employees during non-duty time.

All policies, procedures, and rules, and all provisions of this Agreement shall be applied equitably among employees to whom they apply.

Section 4. Stewards/Officers.

The Union may select, and shall certify in writing to the Agency, employees to act as Union Stewards/Officers. Stewards/Officers shall have authority to investigate and resolve grievances and to distribute Union informational material provided that such activity does not interfere with the regular work routine with prior approval of management. The investigation and processing of employee grievances will be permitted during working hours without loss of compensation. If the permitted activities would interfere with either the Steward/Officer's or the grievant's duties, management shall, within the next working day, arrange a mutually satisfactory time for the requested activities. Time spent in grievance activities without the proper notification and release by an appropriate supervisor involved will be considered unauthorized leave without pay for both the Steward/Officer and the grievant. An employee may request and have present a Shop Steward/Officer or Union Representative at any formal discussion on disciplinary actions, or grievance proceedings, or any other matter that might adversely and substantially affect their future employment, pay, or chances for promotion.

Management will provide written notification to an Officer of the Local Union and the Union Council Representative of an impending disciplinary action (suspension, reduction, demotion or dismissal) against an employee.

Section 5. Union Business Leave.

The Parties agree to the primary principle that Union business will be carried out during off-duty hours.

- a. Employees elected to Union office or otherwise selected by the Union to conduct Union business that takes them away from their employment may be granted leave without pay for a reasonable period of time, upon seven (7)-days' advance notice by the Union. The determination for granting such leave shall be made by the Agency based on operational needs of the Agency. Leave will be requested through the normal agency procedure.
- b. The Agency agrees to the attendance by the President or designee without loss of pay, at:

1. Agency grievance hearings where this individual is acting as Steward;
2. An employee request for representation by one (1) of these individuals to act as Steward;
3. Any other meeting where their presence is requested by management;
4. Other instances in accordance with past practice;
5. Arbitration hearings or other administrative hearings before the Employment Relations Board directly involving the specific local.

Section 6. Communications.

- a. The Agency agrees to furnish and maintain bulletin boards in convenient places to be used by Union for the posting of official Union notices only. Union shall keep the bulletin boards neat and orderly.

Union Officers and Stewards shall have the authorization to post messages to an electronic bulletin board system and officers, stewards and employees may utilize the internal e-mail system for internal Union business where an Agency currently uses such a system, provided all of the following conditions are met:

1. The electronic bulletin board/e-mail system shall not be used for interactive communications;
2. Usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment;
3. There shall be no additional cost to the Agency for use of the electronic bulletin board program;
4. Authorized Union-represented employees who post messages to the system shall do so on their own time; and
5. This communication shall be of a neutral nature and shall not contain inflammatory or derogatory comments.
6. Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The contents of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.
7. E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate

or coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.

8. E-mail messages sent simultaneously to more than five (5) people shall be no more than approximately one (1) page and in plain or rich text format. Such group e-mails shall not include attachments or contain graphics (except for the Union logo). Recipients of such group e-mails shall not use the "Reply All" function.
9. Nothing shall prohibit an employee from forwarding an e-mail message to his/her home computer.

This provision no longer applies when the Agency changes or discontinues a computer system and thereby loses the ability to maintain an electronic bulletin board or similar system.

- a. The Union shall be allowed the use of the internal mail system for communicating with Stewards/Officers only.
- b. Upon written request, the Union may be allowed the use of the facilities of the Agency for meetings in accordance with the past practices when available.

Section 7. Dues Deduction.

The Agency agrees to deduct the monthly membership dues from the pay of those employees who individually request such deductions in writing. The amount to be deducted shall be certified to the Agency by the Treasurer of the Union, and the aggregate deductions shall be remitted monthly together with an itemized statement, to the Treasurer of the Union. The Employer shall move to a system utilizing employee identification numbers in lieu of individual social security numbers.

Section 8. Fair Share.

The terms of the contract have been made for all employees in the bargaining unit, not solely for members of the Union. The Parties recognize that it is fair that each employee in the bargaining unit should bear a fair share of the costs incurred by the Union in meeting its responsibilities as a recognized bargaining unit representative.

Each employee not exempt under recognition of this contract shall, within thirty (30) days of hire, have deducted monthly from their pay by the State, a sum equal to the amount of current Union dues. Such sum shall constitute the employee's dues if the employee is a member of the Union, or shall otherwise constitute that employee's fair and equitable contribution to the expenses of administering this contract on the employee's behalf by the Union. Such deduction shall be made only if accrued earnings are sufficient to cover the service fee after all other authorized payroll deductions have been made.

The deduction and disbursement to the Union of dues and service fees provided herein shall be accomplished monthly by the State and payment to the Union shall be made on or before the fifteenth (15th) day following the date such deductions were made.

Any employee who is a member of a bona fide religious organization which teaches as a doctrine of faith that payment of Union dues is wrong may follow the procedures allowed by State law to have in lieu of dues payment paid to a non-religious charity.

The Union shall indemnify and save the Agency harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Agency for the purpose of complying with the provisions of this Section.

Section 9. Employee Statistics.

The HRSD-Labor Relations Unit and the Agency will, upon request of the Union, provide any regularly produced computer runs containing non-confidential statistics of the Union's bargaining unit members. This will include one (1) printout annually showing names and addresses of all bargaining unit employees and monthly information currently furnished. Any costs incurred in compiling and photocopying these statistical reports under this Agreement shall be billed to the Local Union making the request.

Upon request and no more than once a quarter the Agency shall provide to the Union the names of any temporary/Limited duration employees (management/unrepresented/bargaining unit) hired, reason for the hire and expected duration of the appointment.

Upon request and no more than once a quarter, the Agency shall provide to the Union the names of all employees in double fill positions, the reason for the double fill and the expected duration of the appointment if available.

Upon request, the Agency shall provide to the Union on an annual basis the Agency organization charts showing management positions and the positions they supervise.

Section 10. AFSCME President Leave.

a. Long Term.

Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, one (1) President/designee from an AFSCME Council 75 Central Table participating Agency shall be given release time from his/her position for a period of time up to one (1) year for the performance of Union duties related to the collective bargaining relationship. However, if the Union President/designee or Executive Director requests release time for less than his/her full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits. AFSCME shall indemnify and hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this provision.

b. Short Term.

Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit and the Agency's Human Resource Manager, up to four (4) Presidents/designees from AFSCME Council 75 Central Table participating Agencies shall be given release time from his/her position for a period of time up to three (3) months for the performance of Union duties related to the collective bargaining relationship. Only one (1) employee from a bargaining unit and a total of four (4) employees from all Central Table participating bargaining units may be on such leave at any one (1) period in time. Such requests will be granted unless the affected Agency can demonstrate that the employee's absence would adversely impact the operating needs of the employee's work unit. If granted, such time may also be taken on an intermittent basis. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits.

Section 11. Names of Retirees.

Effective September 1, 2009, the Employer will send a monthly report to the Union of the names of individuals that have retired the previous month. For purposes of this Agreement, a retiree shall be defined as a person who has given the Agency written notice that he/she is separating from State service by retirement and that person has actually separated from State service.

Section 12. Intermittent Union Leave.

When Union officials (officers and stewards) are designated in writing by the Executive Director of Oregon AFSCME to attend AFSCME Council 75 Biennial or AFSCME International Conventions, the following provisions apply.

- a. The Executive Director of Oregon AFSCME shall notify affected agencies in writing of the name of the employee(s) at least thirty (30) days in advance of the date of the AFSCME Convention. For agencies of 100 or fewer bargaining unit members, no more than one bargaining unit member per agency may be designated to attend AFSCME conventions. For agencies of greater than 100 bargaining unit members, no more than two bargaining unit members may be designated to attend AFSCME conventions under this provision.
- b. Subject to agency head or designee approval based on the operating needs of the employee's work unit, including staff availability, the employee will be authorized release time with pay.
- c. The paid release time is limited to attendance at the conference and travel time to the conference if such time occurs during the employee's regularly scheduled working hours up to forty (40) hours per calendar year.
- d. The release time shall be coded as Union business leave or other identified payroll code as determined by the State.

- e. The release time shall not be included in the calculation of overtime nor considered as work related for purposes of workers' compensation.
- f. The employee will continue to accrue leaves and appropriate benefits under the applicable collective bargaining agreement except as limited herein.
- g. The Union shall, within thirty (30) days of payment to the employee, reimburse the State's affected agency for all Employer related costs associated with the release time, regular base wage and benefits, for attendance at the applicable conference.
- h. The Union shall indemnify and the Union and employee shall hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with these provisions.

ARTICLE 4 - UNION/MANAGEMENT MEETINGS

Section 1. Purpose.

The purpose of this Article is to promote harmonious relations between the Parties.

Section 2. Meetings.

Either the Agency Head or the Union President or their designee may request a meeting. Each party may designate desired representation to the extent that such absences from duty do not cause a disruption of work or otherwise create a short staff situation. Off duty personnel participating in such meetings must do so on their own time. The actual meeting time will be established through mutual agreement. Refusal of either party to meet on a given subject does not constitute a contract violation.

Section 3. Scope of Authority.

Meetings will be held for purpose of discussion only. This committee will not enter into a binding agreement of any sort. Contractual type negotiations, attempts to resolve individual grievances, or similar matters must be handled in the manner provided within the contract and will not be proper subject matter for such meeting.

ARTICLE 5 - LEGISLATIVE ACTION

Provisions of this Agreement not requiring statutory changes or funding by the full legislature before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Nothing in this provision shall be construed as to require the Governor to call a special session of the Legislature.

If the Legislature fails to act or approve bills submitted under this Article, the Parties shall reconvene immediately to renegotiate an alternative provision.

ARTICLE 6 - EFFECT OF LAWS AND RULES

Section 1.

This Agreement is subject to all applicable existing and future laws of the State of Oregon. In the event of a conflict between a provision of this Agreement and a rule or regulation of the Department of Administrative Services or any of its Divisions, the terms of this Agreement shall prevail.

Section 2. Liability in Civil Suits.

The Agency agrees that any employee who has any civil action suit or proceeding brought against the employee for causes resulting from acting in the employee's official capacity, duties or employment in good faith and without malice, shall be given legal defense by the State of Oregon. The Agency further agrees to provide written procedures which will outline the proper methods for requesting this legal defense.

ARTICLE 7 - SEPARABILITY OF PROVISIONS

If any provision of this Agreement shall be found to be invalid by any court having jurisdiction in respect, thereof, such findings as to such provision shall not affect the remainder of this Agreement, and all other terms and provisions hereof shall continue in full force and effect as set forth herein. In such event, the Parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such term or provision.

ARTICLE 8 - NO STRIKE OR LOCKOUT

The Agency agrees that during the term of this Agreement, the Agency shall not cause or permit any lockout of employees from work. In the event an employee is unable to perform the employees' assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of bargaining units for which it has been certified, or for which recognition has been extended by the Agency, to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit(s) employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing, with a copy to the Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification to employees covered by this Agreement by the Union shall be made at the request of the Department or Agency.

ARTICLE 9 - EQUAL OPPORTUNITY

Section 1.

The Agency and the Union agree to continue their policies of not unlawfully discriminating against any employee because of race, color, religion, sex, national origin, age, mental or physical disability, marital status, political affiliation, Union activity, or any other legally protected class. Neither will the Agency discriminate based on sexual orientation.

Section 2.

Any complaint alleging unlawful discrimination based on race, color, religion, sex, national origin, age, mental or physical disability, marital status or political affiliation which is brought to the Union for processing will be submitted directly to the Agency Head or designee. If such an issue is not satisfactorily resolved within thirty (30) days of its submission, it may be submitted to the Bureau of Labor and Industries for resolution.

Section 3.

If an employee has a complaint solely alleging unlawful discrimination based on Union activity and the facts of the situation do not give rise to an alleged violation of another article of this contract, it shall be first presented to the Agency Head for investigation and resolution, however, the Parties may mutually agree, in writing, to waive this step, allowing the matter to be resolved through the Employment Relations Board.

ARTICLE 10 - MANAGEMENT RIGHTS

The Union agrees that the Employer retains all inherent rights of management and hereby recognizes the sole and exclusive right of the State of Oregon, as the Employer, to operate and manage its affairs in accordance with its responsibilities to maintain efficient governmental operations. The Employer retains all rights to direct the work of its employees, including, but not limited to, the right to hire, promote, assign, transfer, demote, suspend, or discharge employees for proper cause; to schedule work; determine the processes for accomplishing work; to relieve employees from duties because of lack of work or for other legitimate reasons; to take action as necessary to carry out the missions of the State; or determine the methods, means, and personnel by which operations are to be carried on, except as modified or circumscribed by the terms of this Agreement. The retention of these rights does not preclude any employee from filing a grievance, pursuant to [Article 52, Grievance and Arbitration Procedure](#), or seeking a review of the exercise of these rights, when it is alleged such exercise violates provisions of this Agreement.

ARTICLE 11 - TEMPORARY INTERRUPTION OF EMPLOYMENT

When the Employer declares that a temporary interruption of employment should be considered because of lack of funds, either party may provide the other with written notice to meet and discuss possible terms of such interruption or alternative options. Such meeting must occur within thirty (30) days of the declaration. Terms and alternatives shall be subject to mutual agreement by the Union and the Employer. The Parties agree that any and all discussions that take place under this Section shall not

be subject to the Complete Agreement articles of any of the agreements or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution process contained in the PECBA.

ARTICLE 12 - CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise his/her rights under (c) below:

- a. Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to [Article 44](#), an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- b. Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with [Article 40, Promotions/Advancement](#), this Article shall prevail.
- c. An employee may exercise all applicable rights under [Article 44, Layoff](#).

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

- a. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- b. The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS HRSD Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

Section 6. Review of Contracted Work

Upon request, the union may view state contracts deemed public records. The union will contact the agency manager responsible for procurement and contracts to arrange a time to review the contracts. The agency will let the union review any contracts that the agency itself stores, and are available through public records request. The union will contact the state archivist for older contracts under the public records law. The union may submit suggestions to the agency on agency initiated contracts as to how bargaining unit members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The Parties may discuss the union suggestions at their labor/management meetings and determine the most effective and efficient way to

accomplish the work in the future for Agency initiated contracts. Decisions around reviewing of contracted work are not subject to the grievance procedure.

ARTICLE 13 - INSURANCE

Section 1.

An Employer contribution will be made for each eligible employee who has at least eighty (80) paid regular hours in the month unless required by law.

Section 2.

The contribution for eligible participating part-time employees with eighty (80) or more hours paid time for the month the Employer shall contribute a prorated amount of the contribution for full-time employees unless otherwise required by law. This prorated contribution shall be prorated based on the ratio of paid regular hours to full-time hours to the nearest full percent.

Section 3. Plan Years 2017 through 2019.

For Plan Years 2017 through 2019 the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. ARTICLE 14 - SALARY AND WAGES

Section 1. PERS and PERS Pickup

Current language on PERS and PERS pickup shall continue through January 31, 2019.

Section 2. Public Employees Retirement System ("PERS") Members.

For purposes of this Section 1, "employee" means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to "pick up" the six percent (6%) employee contribution, payable pursuant to law. The Parties acknowledge that various challenges have been filed that contest

the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 (“PERS Litigation”). Nothing in this Agreement shall constitute a waiver of any party’s rights, claims or defenses with respect to the PERS Litigation.

Section 3. Oregon Public Service Retirement Plan Pension Program Members.

For purposes of this Section 2, “employee” means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003 and pursuant to Section 3 of that same chapter, the State will pay an amount equal to six percent (6%) of the employee’s monthly salary, not to be deducted from the salary, as the employee’s contribution to the employee’s account in that program. The employee’s contributions paid by the State under this Section 2 shall not be considered to be “salary” under Section 1(16)(c) of Chapter 733, Oregon Laws 2003, for the purposes of computing an Oregon Public Service Retirement Plan Pension Program member’s “final average salary” under Section 10 of Chapter 733, Oregon Laws 2003, or “salary” for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 4. Effect of Changes in Law (Other than PERS Litigation).

In the event that the State’s payment of a six percent (6%) employee contribution under Section 1 or under Section 2, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees’ contributions shall be treated as “pre-tax” contributions pursuant to Internal Revenue Code, Section 414(h)(2).

Section 5. PERS Pickup.

Effective February 1, 2019 compensation plan salary rates for PERS participating members shall be increased by six and ninety five one hundredths percent (6.95%). At that time bargaining unit employees will begin to make their own six percent (6%) contributions to their PERS account or the Individual Account Program as applicable.

Employees' contributions shall be treated as 'pretax' contributions pursuant to Internal Revenue Code Section 414(h)(2).

Section 6.

Juvenile Parole and Probation Officers will be placed on Salary Range 28, effective date July 1, 2015.

Juvenile Parole and Probation Assistants will be placed on Salary Range 22, effective date July 1, 2015.

All employees will retain their current salary rate and salary eligibility date (SED) in the new range except that employees whose current rate is below the first step of the new range shall be moved to the first (1st) step in the new range and a new salary eligibility date (SED) of July 1, 2016.

Section 7. Cost of Living Adjustment.

Effective June 15, 2018 all pay rates shall be increased by one percent (1%).

Section 8. Wage Floor Adjustment.

Effective February 1, 2019, the Employer shall establish a minimum monthly wage of two thousand six hundred (\$2,600) dollars per month. Any salary step that is below this minimum wage shall be removed from the compensation plans. The two thousand six hundred (\$2,600) dollar wage floor shall be determined within the range option 'P' compensation plan. Employees whose current rate is below the first (1st) step of the new range shall be moved to the first (1st) step of the truncated range. Employees will maintain their current salary eligibility date.

The Wage floor adjustment shall be implemented after the PERS swap is implemented.

REV: 2015, 2017

ARTICLE 15 - SALARY ADMINISTRATION

Section 1.

Employees shall be eligible for annual performance pay increases on the employees' eligibility date provided the employee is not at the top step of the salary range of the employees' classification. The employee may be denied the annual performance pay increase if there has been a serious performance or attendance problem. Denials are subject to review within six (6) months. Denials may be grieved under the provisions of [Article 51](#).

Section 2.

Any employee requiring an emergency draw shall be authorized once during the term of this Agreement to make such a draw without explanation. Additional draws may be requested in accord with existing policy and will be considered on a case by case basis.

Section 3. Submission of Salary Increases.

Salary increases must be made to be effective on the first day of the month and must be submitted prior to the proposed effective date. However, salary increases to correct errors or oversights and retroactive payments resulting from grievance settlements will

be authorized. The effective date for annual salary increases must be the first day of a month. In no event shall any retroactivity exceed twelve (12) months from the date upon which the oversight or error is brought to management's attention in writing, or, in the case of a grievance settlement, the date the grievance was filed in writing. For new hires or promotions salary increases must be made effective twelve months from the employee's date of hire or promotion and yearly thereafter until the employee reaches the top of the salary range.

Section 4. Salary on Promotion.

An employee shall be given an increase to the next higher rate in the new salary range effective on the date of the promotion and annually thereafter until employee has reached the top step of the salary range.

Section 5. Salary on Demotion.

Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous step, the employee's salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have salary steps corresponding with the employee's previous salary but is within the new salary range, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever an employee demotes to a job classification in a lower range, but the employee's previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 6. Effect of Break in Service.

When an employee separates from State service and subsequently returns to the State service (except as a temporary employee), the employee's salary eligibility date shall be determined by the Agency as follows:

- a. Return from Layoff List. When a former employee who was laid off is recalled, the employee will be paid at the step they were at the time of layoff. Employee's previous salary eligibility date adjusted by the amount of break in service shall be restored.
- b. Return from Reemployment. When a former employee is reemployed to a position in the same class in which the employee was previously employed or in a related class with the same salary range, the employee may be paid at or below the step at which the employee was being paid at the time of termination. If an employee is reemployed in a position in a class with a lower salary range than that of the employee's previous position, the employee may be paid at any step in the lower salary range not exceeding the rate the employee was being paid in the higher class, except where

exceptional circumstances justify payment of a higher rate. The previous eligibility date adjusted by the amount of break in service shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established by the Agency as the first of the month in any future month up to twelve (12) months from date of reemployment.

REV: 2017

ARTICLE 16 - RECOUPMENT OF WAGE AND BENEFIT OVERPAYMENTS/ UNDERPAYMENTS

Section 1. Overpayments.

- a. In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid. For purposes of recovering overpayments by payroll deduction, the following shall apply:
 1. The Agency may, at its discretion, use the payroll deduction process to correct any overpayment made within a maximum period of two (2) years before the notification.
 2. Where this process is utilized, the employee and Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 3. If there is no mutual agreement at the end of the thirty (30)-calendar day period, the Agency shall implement the repayment schedule stated in sub 4 below.
 4. If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular monthly base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump-sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check.
 - a. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
 - b. The Article does not waive the Agency's right to pursue other legal procedures and processes to

recoup an overpayment made to an employee at any time.

Section 2. Underpayments.

- a. In the event the employee does not receive the wages or benefits to which the record/documentation has for all times indicated the employer agreed the employee was entitled, the Agency shall notify the employee in writing of the underpayment. This notification will include information showing that an underpayment exists and the amount of wages and/or benefits to be repaid. The Agency shall correct any such underpayment made within a maximum period of two years before the notification.
- b. This provision shall not apply to claims disputing eligibility for payments which result from this agreement. Employees claiming eligibility for such things as leadwork, work-out-of-classification pay or reclassification must pursue those claims pursuant to the timelines elsewhere in this Agreement.

ARTICLE 17 - OVERTIME

Section 1.

All time for which an employee is compensated at the regular straight time rate of pay, except standby time but including holiday time off, compensatory time off, and other paid leave, shall be counted as time worked.

Section 2.

Overtime for Juvenile Parole Officers is time worked in excess of forty (40) hours per week.

Section 3.

Overtime shall be paid at the rate of time and one-half (1-1/2). The form of compensation for overtime shall be pay or compensatory time off, at the option of the employee. If compensatory time is used, it shall be credited at the appropriate overtime rate. Any compensatory time accrued in excess of eighty (80) hours will be paid off within the pay period of the month following the month in which it is accrued.

No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1-1/2), or to effect a "pyramiding" of overtime, i.e., time and one-half (1-1/2).

Overtime shall be voluntary except during periods of emergency or unless management is unable to fill a work assignment by voluntary means.

Section 4. Exemptions from Overtime.

All employees who are exempt from overtime under the standards established by the FLSA shall be excluded from overtime. The Agency and the Union shall apply FLSA standards to reach agreement upon exempt employees.

Grievances which grieve the eligibility of employees for overtime shall follow the procedure in [Article 52, Grievance and Arbitration](#), Steps 1 and 2. If the grievance is still unresolved after Step 2, the affected employee may file a charge with the Bureau of

Labor and Industries (BOLI), Wage and Hour Division, or with the U.S. Department of Labor (DOL).

Section 5. Exempt Employees.

Exempt employees who work over forty (40) hours in a workweek shall receive hour-for-hour compensation in the form of time off for hours exceeding forty (40) in the workweek.

Section 6.

Any employee assigned to escort youth offenders out of state will be compensated eight (8) hours per day at the straight time rate, and one and one-half (1-1/2) times the straight time rate for any hours actually worked over eight (8) hours per day, unless escorting on the employee's regular day off, where the employee shall receive overtime for all hours worked.

Section 7.

The Parties agree that an employee's compensatory time is payment for work already accomplished. Compensatory time may be used by the employee in lieu of vacation or sick leave unless the employee is on written notice involving attendance problems.

ARTICLE 18 - BILINGUAL DIFFERENTIAL

When formally assigned in the employee's position description, an employee assigned to interpret to or from another language to English will receive a differential of five percent (5%) of base pay.

ARTICLE 19 – CALL BACK TIME

For employees in the classification of Juvenile Parole Assistants (trackers), and Juvenile Parole and Probation Officers, call back is an occasion where an employee has been released from duty and is called back to work unexpectedly at the direction of a supervisor prior to his/her normal starting time. A Juvenile Parole Assistant who is called back to work will receive the appropriate rate of compensation in accordance with this Agreement for hours actually worked but in no event will the employee be paid less than two (2) hours at the straight time rate of pay.

ARTICLE 20 - REPORTING PAY

An employee who is scheduled for work and reports to work and there is not work available may be excused from duty, but shall be paid at their regular rate for the shift of work scheduled.

ARTICLE 21 - ON-CALL

Employees shall be paid one (1) hour of pay at the regular straight time rate for each six (6) hours of assigned on-call duty. Employees who are assigned on-call duty for less than six (6) hours shall be paid on a prorated basis.

An employee shall be assigned on-call duty when specifically required to be available or work outside his/her working hours and not subject to restrictions which would prevent the employee from using the time while on call effectively for the employee's own purposes.

No employee is eligible for any premium pay compensation while on-call duty except as expressly stated in this Article.

On-call duty time shall not be counted as time worked in the computation of overtime hours worked but on-call pay shall be included in the calculation of the overtime rate of pay.

An employee shall not be on on-call duty once he/she actually commences performing assigned duties and receives the appropriate rate of pay for time worked.

ARTICLE 22 - WORK OUT OF CLASSIFICATION

Section 1.

When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for more than five (5) consecutive calendar days, the employee shall be compensated for all hours worked beginning from the first day of the assignment for the full period of the assignment as follows: employee shall be paid at the first step in the higher classification or five percent (5%) more than his/her current rate of pay, whichever is greater.

Section 2.

An employee performing duties out of classification for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee's file.

Section 3.

An employee who is underfilling a position shall be informed in writing of their underfill status, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level of the position, the employee shall be reclassified.

Section 4.

Assignments of work out of classification shall not be made in a manner which will subvert or circumvent the administration of this Article. This higher class work will be entered into the employee's personnel file and shall be used for annual performance appraisals and will be taken into consideration by supervisors during promotional merit ratings.

ARTICLE 23 - LEADWORK DIFFERENTIAL

Section 1.

Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor, in writing, "leadwork" duties, provided the leadwork duties are not included in the class specification for the employee's position. Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor. The duration of the assignment not the performance of the duties must be a minimum of ten (10) consecutive days to qualify for the differential.

Section 2.

The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

Section 3.

Leadwork differential shall not be computed at the rate of time and one-half (1-1/2) for the time worked in an overtime or holiday work situation, or to effect a "pyramiding" of work-out-of-classification payment.

Section 4.

Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

Section 5.

The employee who believes they are performing the duties of a leadworker as defined in Section 1, may request a review of the duties as follows:

- a. The employee shall notify their supervisor and appropriate Personnel Officer, in writing for a review.
- b. The supervisor, on behalf of the Agency, will respond to the employee in writing, within fifteen (15) calendar days from the date of notification.
- c. If it is the Agency's determination that the leadwork duties were assigned, the leadwork differential will be effective the date the employee notified the supervisor.
- d. If the Agency determines that the duties are not leadworker or wishes to remove the duties, the employee will be notified as noted in "b" of this Article.

ARTICLE 24 - PER DIEM

Section 1.

Travel, mileage and moving expense reimbursements and procedures will be in accordance with Oregon Accounting Manual Policy No. 40.10.00.PO, and its successors. Changes in this policy will be automatically incorporated into this contract Article.

Section 2. Car Usage.

- a. No employee shall use a private vehicle in the pursuit of official business without the specific authorization of the Agency. Such authorization may provide general approval to use the employee's private vehicle when responding to emergent situations (not requiring transporting the youth) on off-duty hours and where use of the employee's vehicle is more efficient and cost effective than use of the State's vehicle.
- b. Employees shall report in writing any unsafe vehicle to the Motor Pool Superintendent or designated agency personnel. The report shall contain the license number of the vehicle, date of occurrence, and the details concerning the unsafe condition.

REV: 2017

ARTICLE 25 - EMERGENCIES

Section 1.

During periods of bona fide emergency, provisions of this contract regarding work assignments and scheduling, job posting, and overtime scheduling may be temporarily suspended by the Agency as required for the duration of the emergency. Appropriate notification of the emergency status will be made to the Union or designee.

Section 2.

Emergency is defined as an unforeseen circumstance which may threaten the safety and security of the public, inmates, employees and/or property.

This Section shall not be used by management to justify suspension of the above described contract rights to meet the daily operational needs in filling unexpected shift vacancies due to absences of scheduled staff which occur from time to time.

ARTICLE 26 - WORKING CONDITIONS

Section 1. Workweek and Working Hours.

The workweek will be forty (40) hours beginning at 12:01 a.m. Saturday.

- a. It is agreed upon by the Parties that each individual Juvenile Parole and Probation Officer or Juvenile Parole and Probation Assistant will work a flexible professional workweek. A flexible work schedule will meet caseload management needs, support agency business, mission statement and budget requirements.

The Juvenile Parole and Probation Officer or Juvenile Parole and Probation Assistant and manager will communicate effectively and together to meet the day-to-day coverage of each OYA office. To do so, the Juvenile Parole and Probation Officer or Juvenile Parole and Probation Assistant shall submit a basic work schedule to their immediate supervisor for approval.

Adjustments to the basic work schedule may be made upon approval from the immediate supervisor. When possible, subject to the operating need of the Agency, a flexible work schedule may also be used to accommodate a Juvenile Parole and Probation Officer or Juvenile Parole and Probation Assistants personal circumstances.

- b. The Parties mutually agree that the Parole Assistant's primary responsibility and schedule are in response to agency needs and day-to-day coverage in each OYA office. It is further recognized that flexibility in work schedule shall apply when Parole Assistants are fulfilling case management responsibilities.
- c. Where an employee's flexible schedule exceeds ten (10) hours in a work day and the employee is on non-overnight travel status, the employee shall be eligible for breakfast and/or dinner per diem as appropriate to the hours worked.
- d. When the employee is required by the agency to travel, the actual travel time shall be considered time worked. Where required travel is outside an employee's regular work hours (excluding normal commuting time), the employer may temporarily modify the employee's weekly schedule without daily overtime or schedule change penalty. Where such schedule modification still results in the need for additional work hours, the employee shall be paid the appropriate rate of pay for all time worked over forty (40) hours in that workweek.
- e. Telecommuting may be requested in accordance with OYA policy 1-D-3.10 and successor policies.

Section 2. Rest and Meal Periods.

Employees shall be entitled to a meal period of not less than one-half (1/2) hour nor more than one (1) hour to be taken as convenient to their duties. Employees shall be entitled to one (1) rest period each one-half (1/2) day of work for a period of fifteen (15) minutes to be taken as convenient to their duties.

When a supervisor, or their designee, determines an employee is unable to take a meal period due to unforeseen unavoidable circumstances, the employee shall be paid for time spent working.

- a. In the event that such unforeseen unavoidable circumstances arise from a situation where an employee is required to transport a client through the entire lunch period as defined by BOLI, the employee shall be paid the equivalent of the lunch per diem rate as referenced in [Article 24](#).

Section 3.

To the extent that it is within the Agency's control, and pursuant to Department of Administrative Services and Agency policies, the Agency agrees to provide Juvenile Parole Officers a vehicle of at least four (4) passenger capacity. Each such vehicle shall be equipped with gasoline credit card(s), tire chains, DAS-approved and required emergency equipment, a flashlight and first aid kit.

The Agency agrees to make available to each Juvenile Parole Officer a photo identification card, business cards, Agency-approved devices for restraint or control, and an appropriate means of communication. Discussions regarding other equipment shall be a subject of Labor Management Committee meetings.

Section 4.

The Agency shall give notice of increase in duties as is reasonably possible, and Juvenile Parole and Probation Officers can give input to the Agency concerning assignment of additional duties.

The Parties recognize additional duties assigned to the employee may diminish the employee's effectiveness and efficiency.

The results and impacts on working conditions that arise out of any workload study shall be discussed.

Section 5.

The case management responsibility of youth committed by the courts to the Oregon Youth Authority for placement at Youth Correctional Facilities shall be performed by employees with the working title of Juvenile Parole and Probation Officers, other OYA employees, and Juvenile Department employees.

In the event case management responsibilities described above are transferred to another public employer, Parties agree to bargain the impact of such transfer prior to its implementation. The Agency will notify the Union ninety (90) days prior to any work transfer.

The Union recognizes that the workload arising from the commitment of youth to the training schools is beyond the control of the Agency. The Agency recognizes that the number and geographic distribution of clients within a service area has a substantial effect upon the efficient delivery of parole services. Caseloads and service areas shall be assigned as equitably as possible, and readjustment of caseloads and service area may be accomplished from time to time to promote equity. No overtime will be approved without prior authorization of the Parole Supervisor.

Section 6. Transfer.

Two (2) kinds of transfers may occur:

- a. Transfer (reassignment of a position within the bargaining unit).
- b. Vacant position within the unit and employee desiring transfer.

When a position in the bargaining unit is abolished, [Article 44, Layoff Procedure](#), will apply.

On reassignment of the position within the bargaining unit, selection of the position will be based on Agency needs and workload. If no employee volunteers to accept the transfer, the employee with the least seniority in the affected geographic area, as defined in [Article 44](#), Section 11, shall be selected for the transfer. The employee incumbent in the position to be reassigned shall have the option of being transferred with the reassigned position or to a position being vacated by a volunteer.

If there is a vacant position to be filled in the bargaining unit, and one (1) or more bargaining unit employees request transfer to the position, first consideration will be given to the employee who has the most seniority. An individual not receiving the transfer may request and shall receive a written explanation stating the specific reason for the denial. Such denial is not grievable.

Section 7.

Parole assistants will assist the Juvenile Parole and Probation Officers with the supervision of youth committed by the courts to the Oregon Youth Authority. Parole Assistants shall not have authority or responsibility for case management for more than five (5) cases at any one (1) time. In the absence of the Juvenile Parole and Probation Officer and at the direction of the Parole Supervisor, the Parole Assistant may be required to assume case management duties for a greater number of cases on a temporary basis and will be paid work-out-of-class pay pursuant to [Article 22](#).

REV: 2017

ARTICLE 27 - UNIFORMS AND PROTECTIVE CLOTHING

Damage to Personal Clothing.

Employees who suffer damage to personal clothing or effects in performance of their official duties, not as a result of personal negligence, shall file a claim for reasonable reimbursement pursuant to Agency policy.

ARTICLE 28 - EMPLOYEE FACILITIES

Management shall maintain current physical plant facilities provided for employees (including parking and existing motorcycle and bicycle parking with adequate accommodations for seasonal usage) at the Institutions, and elsewhere where authority exists. Any charge for such parking facilities shall be determined by the Department of Administrative Services of the State, if in accordance with the law.

Management further agrees that where necessary secure facilities for protecting employee's personal property are not now furnished, the Agency will, to the extent budget permits, undertake to make such facilities available.

ARTICLE 29 - INCLEMENT WEATHER/HAZARDOUS CONDITIONS LEAVE

Section 1.

- a. The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather or weather-related hazardous conditions. The Employer/Agency will announce such closure or curtailment to employees. The Employer/Agency will strive to make its decision to close and/or postpone day shift no later than 5 a.m.; however, the Parties recognize that changing conditions may require further adjustment. The Employer/Agency may provide this information through methods such as pre-designated internet web sites, phone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required to report to work. Essential employees/positions shall be designated by the Agency by November 1 of each year. Such designations may be modified with two weeks advance notice to the affected employee(s).

- b. Where the Employer/Agency has announced a delayed opening pursuant to Section 1a, employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, he/she may cover the time with accrued vacation, compensatory time off, personal leave or approved leave without pay.

Section 2.

When the Employer/Agency notifies employees not to report to work pursuant to Section 1, prior to the beginning of the work shift the following applies: FLSA Non-Exempt Employees. Non-exempt employees shall not be paid for the period of the closure. However, employees shall be allowed to use accrued vacation, compensatory time off, personal leave or approved leave without pay for the absence(s).

A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations may be directed to leave work and if so directed shall not be paid for the remainder of the shift unless utilizing accrued leave as described above. An employee who actually begins work shall be entitled to pay for all actual hours worked.

The Agency has the duty to require that the employee make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave, if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. Should an employee who has exhausted earned sick leave elect to use vacation leave or compensatory time during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such

instances, prorated charges will be made against accrued vacation leave. If an employee's sick leave accrual should become exhausted, the employee may utilize any vacation, personal leave, or compensatory time they have accrued. Such leave would be utilized on the same prorated basis as sick leave.

In the event of a failure or refusal by an employee on a non-job-related sick leave without pay to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled by registered letter to the last known address. Failure to return to work or supply a certificate within five (5) days of delivery or attempted delivery shall be deemed a resignation.

Section 9. Hardship Leave.

Employees shall request the use of leave provided in this Article at least seven (7) days prior to the intended date of use.

Authorization for the use of pre-retirement counseling leave shall not be withheld unless the Agency determines that the use of such leave shall handicap the efficiency of the employee's work unit.

When the dates requested for pre-retirement leave cannot be granted for the above reason, the Agency shall offer the employee a choice from three (3) other sets of dates. The leave herein discussed may be used to investigate and assemble the employee's retirement program, including PERS, Social Security, insurance and other retirement income.

ARTICLE 39 - ELECTION DAYS

On recognized federal and State Election Days, the work will be arranged to allow the employees the opportunity to vote.

ARTICLE 40 - PROMOTIONS/ADVANCEMENT

Section 1.

The Agency desires to give all the bargaining unit employees an opportunity to fill bargaining units vacancies. To that end, the Agency intends to insure, subject to the requirements of Affirmative Action and Equal Employment Opportunity, that all bargaining units employees may apply and be considered for all vacancies in the bargaining units covered by the terms of this Agreement and for which, in the judgment of the Agency, the employee is qualified. The Agency will determine the method of selection and determine the individuals to fill a vacancy.

Section 2.

The employee is responsible for preparation for advancement and qualification for promotion within the Agency.

Section 3.

Employees will be notified of all the bargaining units vacancies covered by the terms of this Agreement, which the Agency intends to fill by posting a list of such vacancies on designated bulletin boards as agreed to by the Agency and the Union. This posting will be for a minimum of five (5) days in order to give employees an opportunity to apply for the vacant positions.

ARTICLE 41- TRIAL SERVICE

Section 1.

Each employee appointed to a position in the bargaining unit by initial appointment to the Agency or promotion shall, with each appointment, serve a trial service period. Trial service may be extended only in instances where a trial service employee has been on cumulative leave without pay for fifteen (15) days or more and then only by the number of days the employee was on such leave, except as modified under Section 2 of this Article.

Section 2. Trial Service Time.

The trial service period is recognized as an extension of the selection process and is the prescribed time immediately following appointment.

Trial service shall not exceed twelve (12) full calendar months for initial appointment to or promotion within the Oregon Youth Authority. Where a Parole Assistant has been assigned work out of classification as a JPPO, the trial service period may be reduced.

Section 3.

When, in the judgment of the Agency, performance has been adequate to clearly demonstrate the competence and fitness of the trial service employee, then, at any time, the Agency may appoint the employee to regular status.

Section 4.

Initial trial service employees may be removed from service when, in the judgment of the Agency, the employee does not demonstrate the competence and/or fitness for the position. Such removals under this Article are not subject to appeal or the grievance procedure.

Section 5.

An employee on trial service, other than initial trial service, who is removed shall be reinstated to the employee's former position providing the employee was a regular employee in another position in an AFSCME bargaining unit immediately prior to the appointment, and provided the employee has not been charged under ORS 240.555.

Section 6. Outside Agency Promotional Trial Service

- a. A regular status employee who is removed from promotional trial service from an executive branch state agency shall have right of return to his/her former Agency. The Agency shall restore the employee to his/her former position if it is vacant. If it is not vacant the employee shall be restored to a position in his/her former classification in his/her former bargaining unit so long as the employee

meets any special qualifications for the position unless charges are filed and they are terminated from employment.

- b. If an employee is reinstated into a position in his/her former classification in the bargaining unit and this requires a change in the employee's official work site, the employee will be eligible for moving reimbursement in accordance with the Employer's policy titled, 'Current or Recalled Employee Relocation' (40.055.10)
- c. This Subsection becomes effective on the first (1st) of the month following ratification of the local agreement or on the date of receipt of an interest arbitration award, whichever is later.
- d. This Subsection applies to employees beginning their promotional trial service after the effective date of the local agreement.

REV: 2017

ARTICLE 42 - TRAINING/EDUCATION

Section 1. Training.

The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training. Employees may request training and will be considered based on job and workload needs and on funding, such trainings may include trainings provided through the Department of Public Safety Standards and Training (DPSST).

Section 2. Developmental Opportunities.

The Agency may provide developmental assignments and job rotation assignments by written agreement with the Union and employees who volunteer. Employees volunteering for these assignments retain their permanent position classifications, remain on the Agency payroll, retain the representation (AFSCME) status of their permanent positions while on the assignment, and return to their permanent positions on completion of the assignment. Employees participating in developmental and job rotation assignments will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

Section 3.

Employees may be granted time off with pay to take job-related educational courses or training sessions.

REV: 2017

ARTICLE 43 - JOB SHARING

Section 1.

"Job sharing position" means a full-time position in the classified service that may be held by more than one (1) individual on a shared time basis whereby the individuals holding the position work less than full time.

Section 2.

Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Parole Supervisor or Area Coordinator to be considered for job share positions. Management shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where the management determines job sharing is appropriate, the management agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency.

Section 3.

Job share employees shall accrue vacation leave, sick leave and holiday pay based on a prorate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 4.

Job sharing employees shall be entitled to share the full Agency paid insurance benefits for one (1) full-time position based on a prorate of regular hours scheduled per week or per month whatever is appropriate. In any event, the Agency contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Agency paid insurance benefits and the full premium amount through payroll deduction.

Section 5.

For purpose of layoff, individuals filling a job share position which totals a full-time equivalent shall be considered as part-time employees at the time the position has been affected by a layoff.

Section 6.

If a vacancy exists and if management determines that job sharing is not appropriate for the position or if management is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of management, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 44 - LAYOFF PROCEDURE

Section 1. Alternative to Layoff

1. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. The Parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the

Agency will implement layoff procedures consistent with the current applicable agreement.

2. Agency and Union discussions under this agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The Parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.

Section 2.

A layoff is defined as a separation from service for involuntary reasons not reflecting discredit on an employee. An employee shall be given written notice of a pending layoff at least fifteen (15) days before the effective date stating the reason for the layoff.

Section 3.

Employees shall be laid off and service credits calculated within the following mutually exclusive categories:

- a. Full-time,
- b. Part-time (including job share).

Section 4.

Layoff shall be by classification as defined in [Article 1](#), Section 2. The classification and geographic area to be affected by any particular layoff shall be identified by the Agency at the time the layoff is declared. The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff and the staff with the least service credits will also receive notification of the possible bumping option. Notification shall normally go to the employee with the least State service credits at the worksite to be reduced. The Agency shall notify in writing all affected employees of their State service credits and their contractual bumping rights.

It is understood that when an employee who is to be laid off possesses knowledge, skill, or ability, the loss of which in the judgment of the Agency would seriously impact operations, the Agency may hold that employee in active status, while laying off the next employee in service credit order in the employee's stead. When it is necessary to hold an employee, who would otherwise be laid off, the Agency will document the need and such documentation shall be provided to the Union at least twenty-one (21) days prior to the effective date of potential layoff. In addition, the subsequently affected employee(s) will be given notice at the same time, irrespective of Section 1. Any dispute in this regard may be taken up as a grievance by the Union filed with the Employee Services Manager.

If it is found that two (2) or more employees who are impacted have equal State service credits, layoff notice shall be given to the employee with the least Agency seniority (see [Article 55](#)). If ties between employees still exist, the order of layoff shall be determined by the Appointing Authority in such a manner as to conserve for the State the services of the most qualified employees.

Section 5. State Service Credit.

- a. Seniority prior to 7/11/11.
State service credit is defined as total length of continuous State service.

One (1) point shall be allowed for each month of unbroken service, except as a temporary employee in State service. An employee's State service credit shall be computed from the date of the employee's employment by the State. State service credits shall be prorated for part time employees and/or partial months worked, except when resulting from a leave without pay for less than one (1) year.

State service credit shall be forfeited if an employee has a break in service from the State by separation or termination of more than two (2) years, other than layoff, or fails to respond within five (5) consecutive work days after receiving notice by registered letter mailed to the last address on the Agency's records, unless prevented from responding by conditions beyond the employee's control.

A leave without pay of more than fifteen (15) calendar days shall not count toward accrual of State service credits.

- b. Seniority 7/11/11 forward.
State service credit is defined as total length of continuous State service. An employee's State service credit shall be computed from the date of the employee's employment by the State.

State service credit shall be forfeited if an employee has a break in service from the State by separation or termination of more than two (2) years, other than layoff, or fails to respond within five (5) consecutive work days after receiving notice by registered letter mailed to the last address on the Agency's records, unless prevented from responding by conditions beyond the employee's control.

Seniority will also be adjusted for leave without pay in the excess of one (1) year.

Section 6. Options in Layoff.

Except for Section 3, paragraph 2, the employee with the least State service credits in the work site shall be given notice of layoff and may file a written request to exercise an option in lieu of layoff with the Appointing Authority within five (5) work days of receipt of such notice.

For purposes of this Article a vacancy that the Agency intends to fill shall be considered to have the least State service credits. If more than one (1) vacancy exists the employee may select from the vacancies. If more than one (1) vacancy exists and more than one (1) employee has received layoff notice, the employee with the most State service credits shall have first selection of the vacancies and selection shall continue based on most State service credits.

The employee shall make one (1) choice from the five (5) options listed below:

Displace Within Classification

1. Any employee notified of layoff may opt to displace the least State service credit person in the geographic area in the same classification provided the employee can perform the specific requirements of the position within approximately thirty (30) days.
2. The employee may opt to displace the least State service credit person on a statewide basis provided the employee can perform the specific requirements of the position within approximately thirty (30) days.

Demote to Lower Level Classification

3. Any employee notified of layoff may elect to demote to a lower classification in the geographic area for which the employee is qualified provided the employee can perform the requirements of the position within approximately thirty (30) days, if a position exists where the incumbent has the least State service credit.
4. The employee may opt to demote to a lower classification and displace the least State service credit person on a statewide basis provided the employee can perform the specific requirements of the position within approximately thirty (30) days where the incumbent has the least State service credit.

Layoff

5. The employee may elect to be laid off.

Section 7.

The name of a demoting employee shall then be placed on the appropriate layoff list for the class the employee demoted from. Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 8.

If an employee's selection in Section 5 requires moving, moving expenses shall be assumed by the employee.

Section 9. Recall List.

A recall list shall be a list of employees by classification and geographic area who are laid off from the Agency or who have demoted in lieu of layoff. The employee will automatically be placed on the geographic recall list from their area and must, if interested, designate placement on recall lists for additional areas. Recall shall be from the list in order of greatest State service credits, one (1) name at a time, to the vacancy in the classification and within the designated geographic area provided the employee can perform the specific requirements of the position within approximately thirty (30) days. If an employee is certified from the recall list and is offered a position in the geographic area, he/she shall have one right of refusal to be rendered within five (5) days of the offer. Upon the second refusal to the same geographic area, the employee's name shall be removed from that geographic recall list.

Employees on the recall list shall be responsible to keep the agency informed of a current address and telephone contact number. In the event the address of record is no longer valid, the employee's name shall be removed from the recall list.

No new employees will be hired nor will employees be transferred until all employees on the recall list in that class for that geographic area have been offered reemployment. Names shall be maintained on the appropriate recall list(s) for two (2) years from the effective date of layoff or demotion, unless removed in accordance with above language or the employee has accepted a position from the recall list.

Section 10.

Unclassified, exempt and management service employees shall be restored into classified service pursuant to ORS 240.570. If a reduction in force is required in connection with this return it will be accomplished through this Article. There shall be no cross-bumping between management service and the bargaining unit. In instances where a management service employee is to be restored to the bargaining unit and a vacancy exists but a bargaining unit employee with more service credits is on the recall list for that geographic area, recall will occur.

Section 11.

There will be no cross bumping between bargaining units.

Section 12. Geographic Area

For the purposes of this Article the geographic areas are defined as:

Area 1 – Clatsop, Columbia, Tillamook, Washington, Multnomah, Yamhill, Clackamas, Marion, Polk, Lincoln, Benton, and Linn counties

Area 2 – Lane, Douglas, Coos, Curry, Josephine, and Jackson counties

Area 3 – Hood River, Sherman, Gilliam, Wasco, Wheeler, Jefferson, Crook, Deschutes, Klamath, and Lake counties

Area 4 – Morrow, Umatilla, Wallowa, Union, Grant, Baker, Harney, and Malheur counties

Section 13. Secondary Recall Rights.

- a. Application. These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.
- b. Definitions.
 1. Geographic areas, for the purpose of secondary recall, are each location for which an employee may indicate his/her willingness to relocate on the state's PD100.
 2. Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract.

3. Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.
- c. Coordination with Filling of Vacancy and Layoff Articles. The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- d. Procedures.
 1. Placement on the Secondary Recall List.
 - A. Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in his/her personnel file) by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in his/her personnel file, that employee may request and shall be placed on the Secondary Recall list for the remainder of the two (2) years eligibility following layoff once the discipline has remained in the file for the length of time required by the agency's contract.
 - B. Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.
 2. Use of the Secondary Recall List.
 - A. After the exhaustion of the Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section c above, until such secondary list is exhausted.
 - B. To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum

qualifications for the classification and any special qualifications for the position.

- C. Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.
 - D. Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.
3. Appointments/Refusals of Appointments from the Secondary Recall List.
- A. A laid off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List; however, an agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.
 - B. Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.
 - C. Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months, except that employees hired into the Offender Information and Sentence Unit as Prison Term Analysts (PTA) shall serve a trial service period consistent with the Department of Corrections agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four month recall period where the trial service removal was not related to potential misconduct warranting an economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.

- D. Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 14. Temporary Interruption of Employment.

When work is not available due to a temporary situation beyond the Agency's control, employees in the affected work unit may have their employment temporarily interrupted for up to fifteen (15) calendar days without this being considered a formal layoff under this Article. Temporary workload fluctuations will not be considered as justification for invoking this provision.

Should such a temporary interruption of employment occur, employees so affected will be allowed to use any form of accrued paid leave including vacation, compensatory time off, or personal leave or will be placed on leave without pay where the affected employee(s) have insufficient compensatory time to cover the period of interruption.

If limited work is available within the affected work unit, it will be offered to the employee with the most State service credits, within the affected classifications, provided that employee possesses any special skills that are required.

REV: 2015

ARTICLE 45 - REVIEW OF CLASSIFICATION SERIES

Section 1.

It is agreed and understood that procedures for establishing new proposed classifications and for material revision of existing classifications will provide reasonable opportunity for review and input by the Union prior to implementation.

Section 2.

The Parties shall negotiate the salary range for new and materially revised classifications. Negotiations for the establishment of new salary ranges for such new or revised classification shall commence no later than thirty (30) days after the initial receipt by the Union of the new or revised class specifications.

Section 3.

Implementation of a salary adjustment or rate change agreed upon in the salary negotiations shall be effective the first of the month following legislative approval of the negotiated salary, unless otherwise specified in the negotiated agreement.

Section 4.

The Union may recommend classification studies to be conducted by the Department of Administrative Services, Human Resources Services Division including the reasons for the need for such studies.

ARTICLE 46 - RECLASSIFICATION PROCEDURE

The Parties shall use the following procedure to process reclassification requests.

Section 1.

The Agency shall furnish class specifications at the request of the Union or employee.

Section 2.

The employee will submit a completed official Position Description form and written explanation for a proposed reclassification request to the Agency Personnel Officer and a copy mailed to the Union.

Section 3.

The Agency shall conduct a classification audit and review the merits of the request. Within thirty (30) days after receipt of reclassification request the Agency shall notify the Union of its decision. The Union shall have an opportunity, before the thirty (30) days decision date, to meet with the Agency to present arguments and recommendations where there are objections to the proposed reclassification. The Parties may extend the time limits by mutual, written agreement in those instances where the review process or other extenuating circumstances require additional time for analysis.

Section 4.

Any employee who is involuntarily reclassified or any employee whose reclassification request is denied may take the matter up as a grievance under [Article 52, Grievance and Arbitration](#), of this Agreement.

Section 5.

Should the duties of the position support the proposed reclassification, the Agency shall make the determination whether to seek legislative approval for reclassification or remove the duties. If a reclassification request, as approved, does not receive the necessary legislative approval required by ORS 291.371, the Agency shall immediately change the duties of the employee to conform to the prior classification.

Section 6.

The effective date of a reclassification implemented under this Article shall be the first of the month following the month in which the reclassification request was received by the Agency.

Section 7.

Any incumbent who has successfully performed for three (3) months the duties of the position reclassified shall be continued in the position.

Section 8.

Any employee reclassified downward will move into the new range at the step that is nearest the employee's current rate. The employee's anniversary date shall remain the same. If the employee's rate is above the highest step in the lower range, the employee shall receive no reduction in pay. Similarly, such employee shall not receive future salary adjustments until such time as the new range encompasses the employee's salary. At this time, the employee shall have a salary adjustment to the nearest step in the range. The employee shall also be placed on the Layoff List for the previously held classification.

Section 9. Reclassification Upward.

Any employee reclassified upward shall move into the new range at the closest step that is higher than the employee's current rate. Anniversary date for future step

increases shall be established as the first of the month following the date the employee's request was received.

Section 10. Denied Reclassification/Involuntary Reclassification Appeal Process

Agency Appeal:

If an employee's requested reclassification is denied or the Agency reclassifies an employee's position, the Union may appeal the decision in writing to the Agency Head or designee within fifteen (15) calendar days after receipt of the Agency's decision. The appeal must identify the reason(s) the Agency's decision is incorrect. The Agency shall respond to the appeal in writing within fifteen (15) calendar days from receipt of the Union's appeal.

Committee Appeal:

If the Agency denies an employee's reclassification request or if the Agency reclassifies an employee's position, the Union may appeal the decision to the Employer/Union Classification Appeal Committee. The appeal must be in writing and submitted within fifteen (15) calendar days from the date the Agency's final decision. All appeals must be supported with copies of documents originally provided to the Agency for the reclassification request, including written explanation of the request and all relevant documentation. No new documentation or information will be considered by the Committee unless mutually agreed upon. Upon request, the Union and employee shall have one (1) opportunity to address the committee.

Employer/Union Classification Appeal Committee:

The committee shall be composed of one (1) Employer representative and one (1) Union staff representative. The Committee's sole mission will be to consider appeals pursuant to this Section of the Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each representative shall have experience making classification decisions.

Appeal Decision Process:

The Committee will attempt to resolve the appeal by jointly determining whether the current or another classification more accurately depicts the overall assigned duties, authorities and responsibilities of the position. In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. The Committee will prepare an initial written decision to the Agency and Union within thirty (30) calendar days of receipt which will include the reasons for the decision. Agency management retains the right to modify duties to ensure consistency with the Agency's work, goals and objectives. If the finding of the committee determines the assigned duties are appropriately classified at a higher salary range and the Agency subsequently removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Arbitration:

If there is no resolution, the Union may request arbitration in writing within fifteen (15) calendar days from the date of receipt of the Committee's final written decision. The Union's request must be sent to the Department of Administrative Services Labor Relations Unit and shall include the reasons why the Agency's decision is incorrect.

The Parties agree to the appointment of a panel of three (3) arbitrators to hear all appeals under this Article. Arbitrators shall be assigned on a rotational basis. The arbitrators shall have experience resolving classification issues. An arbitrator may be removed from the panel by mutual agreement of the Parties. However, each party retains the right to initiate a change in that arbitrator's appointment upon notice to the other party. If this occurs, the Parties agree to select another qualified arbitrator. The change in assigned arbitrator shall be effective for any case not yet scheduled for arbitration. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall apportioned as in the arbitrators' judgment is equitable. All other expenses shall be borne by the Party requiring the service or item for which payment is to be made.

The arbitrator shall allow the Agency's decision to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified below. In the event the arbitrator finds in favor of the proposed or alternate classification, Agency management may elect to remove/modify duties at any point during the process. However, if the agency removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Classification Criteria.

For purposes of this section, a reclassification must be based on findings that the purpose of the position is consistent with the concept of the proposed classification and that the class specifications for the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Terms used above shall be defined as follows: a) the purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency; b) the concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications, and, c) the overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

This Section supersedes any provisions contained in the Agency's grievance procedure.

ARTICLE 47 - IMPLEMENTATION OF NEW CLASSES - APPEALS PROCESS

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

Section 1.

- a. An appeal may be filed by an individual employee or a Steward or a Council Representative on behalf of the employee, to the Agency personnel office within fifteen (15) calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

1. The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
 2. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
 3. The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- b. If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two (2) resource persons, one (1) designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall

assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified. If the Parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

- c. The decision of the designees shall be binding on the Parties. However, agencies may elect to remove/modify duties at any point during the process.
- d. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45)-calendar day period. Section 3.

An employee, with or without Union representation will contact their immediate supervisor to meet and discuss alleged contract violations prior to filing a written grievance at Step 1.

Step 1. If the issue is unresolved, the Union will submit a written grievance containing the date of occurrence, the act or omission that created the grievance, the section violated, and the remedy desired within thirty (30) days of the alleged occurrence. The supervisor's response shall be done within fifteen (15) days of receipt of the grievance.

Step 2. If the issue is not settled at Step 1, the Union shall submit the grievance to the Agency Head or designee within fifteen (15) days of the first step response or its due date, whichever is first. The Agency Head or designated representative's response shall be due in writing within fifteen (15) calendar days of receipt of the appeal.

Step 3. If the grievance is not resolved by the Agency, the Union shall appeal the grievance to the Labor Relations Unit (LRU) of the Department of Administrative Services within fifteen (15) calendar days of receipt of the Agency's Step 2 response. A meeting will be held between the Parties at a mutually-agreeable date and time to mutually share information about the grievance. The Parties shall fully disclose their respective positions and all supporting evidence. All potential resolutions shall be discussed in this meeting and shall be non-prejudicial to the Parties if arbitration occurs. The meeting shall occur within thirty (30) days of the Union's notice, unless otherwise agreed to in writing. LRU shall issue a response within fifteen (15) days following the third (3rd) Step meeting. For purposes of this Article, an appeal in writing can be delivered by first class registered or certified mail, postage paid, by fax or by electronic mail to the Labor Relations Unit email address LRU@oregon.gov.

Step 4. If the grievance is not resolved at the LRU within thirty (30) days of the Step 3 response or as otherwise mutually agreed to in writing, the Union shall notify the LRU that it desires arbitration of the grievance.

Step 5. Selection of an Arbitrator.

1. The Union will request from the Employment Relations Board, the names of five (5) qualified arbitrators at the time it notifies the LRU of its intent to arbitrate.
2. The Union and the LRU will select an arbitrator by alternately striking names with the moving party striking first, from the Employment Relations Board list, one (1) name at a time until only one (1) name remains on the list. The name remaining on the list shall be accepted by the Parties as the arbitrator, and arbitration hearings shall commence at such time and place mutually agreed to by the Parties.

Section 4.

The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties and that they will abide thereby. The Parties do not waive any right of review provided by law. The arbitrator shall have no authority to add to or subtract from or change any of the terms of the Agreement, except for salaries on new classifications. The arbitrator's award shall be due to the Parties within thirty (30) days of the close of the hearing.

Section 5.

The arbitrator's fees and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

Section 6.

Grievances shall be reduced to writing and submitted on the form identified as AFSCME Grievance Form.

Section 7.

Time limits specified in this procedure must be observed unless either party requests a specific extension of time which, if agreed to, shall be stipulated in writing and shall become part of the grievance record. Failure of the aggrieved party or Union to comply with the time limits outlined within this Article shall constitute abandonment of the grievance. If management fails to issue a response within the time limits set forth in this Article, the grievance may be advanced to the next step of the grievance procedure.
