Subject: We are a union of activists

## Your Wednesday Action!

[REDACTED]

With everything going on in the world, it's hard to keep up with the news, nevermind identifying what we can do to make a difference. We're at a pivotal point in time and there are concrete actions we can take to make a meaningful impact. The upcoming election will [have significant implications when SEIU 503 members](#) bargain new contracts next year. It will also impact how Oregon and the whole nation recovers from the public health and economic crisis we are facing. This election truly matters!

Here are all the ways we can make a difference as union members:

1. [Register](#) to vote! The voter registration deadline is October 13th. If you've been displaced by wildfire, see [this guidance on voting](#).
2. [Attend](#) our Meet and Greet with Secretary of State candidate Shemia Fagan.
3. [Volunteer](#) to call members and voters across the state to make sure they participate in the November 3rd election.

4. [See](#) which candidates our member-led endorsement process picked for this election.
5. [Complete](#) your 2020 Census. The Census will determine how more than \$800 billion in federal funding is distributed to states each year for the next decade, funding that goes to agencies that employ many SEIU 503 members.

Together, we can move the needle on issues that impact our workplaces, communities, state, and country. It's time to go to work!

In Solidarity,

Melissa Unger
